

Curriculum Vitae

Kristin A. King, PhD, CCC-SLP

Home: 9306 Jefferson Grove Way
Winterville, NC 28590

Office: Audiology and Speech Pathology
578 S. Stadium Drive, Room 428
Knoxville, Tennessee 37996

Home Phone: (865) 357-7336

Office Phone: (865) 974-5277

E-mail: kking29@utk.edu

EDUCATION:

2002 - 2008 East Carolina University Greenville, NC
PhD - Communication Sciences and Disorders

Dissertation: Picture naming and word reading: differential diagnostic tasks following Traumatic Brain Injury in children?

1992 - 1996 East Carolina University Greenville, NC
MS in Speech Language Pathology

1983 - 1987 University of North Carolina Chapel Hill, NC
BA in Education; Major: Secondary English

UNIVERSITY TEACHING EXPERIENCE:

ACADEMIC:

2008 – present **Assistant Professor** Audiology and Speech Pathology, UT-Knoxville
Courses taught: ASP 518 Neuro I: Aphasia
ASP 519 Neuro II: Cognitive-linguistic Deficits
ASP 555 Medical Speech Pathology

2006 – 2008 **Instructor** Dept of Communication Sciences and Disorders, ECU
Courses taught: CSDI 6109: Motor Speech Disorders
CSDI 6114: Dysphagia and Neuromotor Function
CSDI 3030: Speech Science: Anatomy, Physiology, & Acoustics

2006 - 2008 **Lab Instructor** Dept of Communication Sciences and Disorders, ECU
Provided instruction in the use of acoustical analysis software for a doctoral level lab on Speech Acoustics and Analysis

Summer 2005 **Instructor** Dept of Biostatistics, ECU
Course taught: BIOS: Introduction to Biostatistics

2002 - 2006 **Guest Lecturer** Dept of Communication Sciences and Disorders, ECU
Language Development, Language Disorders, Childhood Language
Disorders, Cognitive-Linguistic Impairments of Adults, Dysphagia and
Neuromotor Function, Brain Language Aphasia, Stuttering, and Motor
Speech Disorders

The following courses were taught via Distance Education using web and internet resources:

Spring 2008 CSDI 6119: Motor Speech Disorders
Fall 2006 CSDI 3030: Speech Science: Anatomy, Physiology, and Acoustics

CLINICAL:

2002 - 2008 **Supervisor** ECU Speech, Language and Hearing Clinic
Scottish Rite Foundation Childhood Language and Reading Disorders Program

Provided supervision and training of graduate student clinicians in the evaluation and treatment of both children and adults with various diagnoses, including but not limited to language disorders, reading disorders, stuttering, aphasia, apraxia, dysarthria, and cognitive-linguistic disorders secondary to brain injury

RELATED TEACHING EXPERIENCE:

2002 - 2008 **Registered Instructor** Eastern AHEC, Greenville, NC
Provide 1/2 day and full day workshops on trach/vent, swallowing disorders (pediatric and adult), cervical auscultation, and traumatic brain injury

GRADUATE RESEARCH ASSISTANTSHIP:

2002 - 2008 **Research Assistant**, under the direction of Dr. Monica Hough
Areas of research: pragmatic deficits following TBI, working memory, confabulation, functional communication with chronic severe aphasia

2002 - 2004 **Research Assistant**, under the direction of Dr. Marianna Walker
Areas of research: reading disorders, language disorders, pre-literacy skills in preschool age children

PUBLICATIONS:

King K, Hough M, Walker M, Rastatter M, and Holbert D. (2006). Mild traumatic brain injury: effects on word retrieval in naming and discourse. *Brain Injury*. 20(7): 725-732.

King K, Hough M, Vos P, Walker M, and Givens G. (2006). Word retrieval following mild TBI: implications for categorical deficits. *Aphasiology*. 20(2-4): 233-245.

King K, Wagner C, Odom C, and Moore D. (1997). Therapeutic intervention for a pediatric SCI patient: a case study. *Perspectives*. 12 (3): 9 - 15.

Johnson, R. K., Hough, M. S., **King, K. A.**, Vos, P., & Jeffs, T. (2008). Functional communication in individuals with chronic severe aphasia using augmentative communication. *Augmentative & Alternative Communication*, 24(4), 1-12.

King K, Rastatter M, and O'Brien K. (submitted). Task effects on intonation: a need for change in therapeutic intervention? *Folia Phoniatria et Logopaedica*.

Deal R, Hough M, **King K**, Walker M, Rastatter M, and Hudson S. (submitted). Influence of duration of post-traumatic amnesia on pragmatic skills in chronic traumatic brain injury. *Aphasiology*.

King K, Rastatter M, and O'Brien K. (in process). Effect of task on intonation: implications for research methodology.

King, K, Hough, M, Walker, M, Holbert, D, Everhart, E, Moore, D, and Rastatter, M. (in process). Picture naming and word reading: differential diagnostic tasks for children following traumatic brain injury.

King, K. and Hough, M. (in process). TBI and aging effects on word retrieval: a comparative study of children, adolescents and adults.

PRESENTATIONS:

REFEREED:

Deal, R, Hough, M, **King, K**, Walker, M, Hudson, S, and Rastatter, M. (2006). The Effects of PTA on Pragmatic Skills in Adults Following TBI. Poster; Clinical Aphasiology Conference. Ghent, Belgium.

Johnson R, Hough M, **King K**, Vos P, and Jeffs T. (2006). Functional communication in individuals with chronic severe aphasia using augmentative communication. Poster; Clinical Aphasiology Conference. Ghent, Belgium.

Hough M, **King K**, and Deal R. (2006). Word Retrieval and Pragmatic Skills after Traumatic Brain Injury: Characteristics and Clinical Implications. Oral presentation; NCSHLA State Convention. Raleigh, NC.

King K, Hough M, Vos P, Walker M, and Givens G. (2005). Word Retrieval Following Mild TBI: Implications for Categorical Deficits. Technical platform; ASHA Convention. San Diego, CA.

King K, Hough M, Vos P, Walker M, and Givens G. (2005). Word Retrieval Following Mild TBI: Implications for Categorical Deficits. Poster; Clinical Aphasiology Conference. Sanibel Island, Florida.

King K, Hough M, Walker M, Rastatter M, and Holbert D. (2004). Mild TBI: Effects on Word Retrieval in Naming and Discourse. Poster; Clinical Aphasiology Conference. Park City, Utah.

King K, Hough M, Walker M, Rastatter M, and Holbert D. (2004). Mild TBI: Effects on Word Retrieval in Naming and Discourse. Poster; ASHA Convention, Philadelphia, PA.

King K. (2004). Trach and Vents for Clinicians. Oral presentation; NCSHLA Conference. Asheville, NC.

INVITED:

King K. (2007). Clinical Overview of Swallowing and Swallowing Disorders. Full-day workshop; Caswell Center Staff Development: Greenville, NC.

King K. (2006). Pediatric Brain Injury. Half-day workshop; Eastern AHEC, Goldsboro, NC.

King K. (2005). A Clinical Perspective on Trachs and Vents for the SLP. Half-day presentation. NCSHLA: Winston-Salem, NC.

King K. (2005). Trachs, Vents, and Speaking Valves: A Clinical Perspective. Full-day workshop; Forsyth Medical Center Staff Development, Winston-Salem, NC.

King K. (2004). Pediatric Dysphagia. Half-day workshop; Eastern AHEC, Goldsboro, NC.

King K. (2004). Cervical Auscultation. Half-day workshop; Eastern AHEC, Raleigh, NC.

GRANTS:

TBI Project ACCESS Grant (1998-2001). \$ 500,000 3-year multi-site grant to study pediatric traumatic brain injury and service interventions. Project TBI ACCESS.

Pediatric Speech Therapy Development Grant (1998). \$ 5,000 renewal grant for the completion of an inpatient pediatric rehabilitation speech-language therapy center. Pitt Memorial Foundation.

Pediatric Speech Therapy Development Grant (1997). \$ 16,000 grant for the development of an inpatient pediatric rehabilitation speech-language therapy center. Pitt Memorial Foundation.

AWARDS:

- 2007 Sigma Xi Scientific Research Society
- 2004 Student Journal reviewer, *Aphasiology*
- 2004 NIDCD Student Fellowship for Research

PROFESSIONAL MEMBERSHIPS AND CERTIFICATIONS:

- 1996 - present American Speech, Language and Hearing Association
 Certification # 12001323
- Division 2 Member
 Division 5 Member
 Division 13 Member
- 1995 - present NC Board of Examiners for SLP and Audiology License # 3731
2002 - present Certified SpeechEasy Provider

SERVICE:

- 2008 - present Committee member; PR and Recruitment; Dept of Audiology and Speech
 Pathology, University of Tennessee
- 2008 - present Committee member; Curriculum Development; Dept of Audiology and
 Speech Pathology, University of Tennessee
- 2007 - 2008 Committee member; Student Liaison Committee for Dept of
 Communication Sciences and Disorders, East Carolina University
- 2007 - 2008 Committee member; Hearing and Appeals Committee within the School
 of Allied Health Sciences, East Carolina University
- 1996 - 2004 Council Member, NC State TBI Advisory Council

CONSULTANT:

King, K. (2006-2008). Nasoendoscopic Evaluation of Swallowing. Staff development and training; Fayetteville VA Hospital, Fayetteville, NC.

King K. (2003 - 2005). Swallowing in the schools. Onslow County School System; Jacksonville, NC.

CONTINUING EDUCATION:

- 2002 - present American Speech Language Hearing Association Annual Convention
2002 - present NC Speech, Language and Hearing Association Annual Spring Conference
- 2002 Eastern AHEC Dept of Mental Health Education. Brain Structures and Functions: Linkages to Specific Interventions for Children. Contact hours: 5.0

RELATED WORK EXPERIENCE:

- 2003 - 2005 Speech-Language Pathologist; Onslow County Schools, Jacksonville, NC
Provided evaluations and determination of service needs for pre-school aged children
- 2002 - 2004 Speech-Language Pathologist; Pitt Memorial Hospital, Greenville, NC
- 2001 - 2002 Speech-Language Pathologist; Duke Medical Center, Durham, NC
Provided evaluation/treatment of adult and pediatric patients; program development; managed service provision at Durham Regional Medical Center
- 1995 - 2001 Speech-Language Pathologist IV; Pitt Memorial Hospital, Greenville, NC
Provided evaluation and treatment of adult and pediatric patients; Served as: Education director for Speech Pathology staff, Co-coordinator for acute services, Program developer of FEES, trach/vent, and videofluoroscopy mentorships and training protocols, Graduate student supervisor
