

LOUIS V. SIRACUSANO
Financial Advisor
Siracusano, Sleezer Group
Naperville, IL

Lou Siracusano joined the Siracusano, Sleezer Group, an independent branch of Wells Fargo Financial Network, in 2005, after a thirty year career in the practice of law in the State of New York. A graduate of St. John's University, Queens, NY, Mr. Siracusano obtained a B.A. in Business Administration in 1967, and J.D. from its School of Law in 1975. Admitted to the New York Bar in 1976, Mr. Siracusano became a founding partner of "Mckenna, Siracusano & Chianese" later that year, and was subsequently admitted to the Florida (1986) and Connecticut (1996) Bars. In addition to his duties as managing partner, Mr. Siracusano concentrated his practice in the area of Family Law. Though no longer actively practicing law, Mr. Siracusano has maintained an "Of Counsel" relationship with the successor firm, Albert W. Chianese & Associates, with offices in Rockville Centre, NY.

Over the last six years Mr. Siracusano has sought to assist plaintiffs who have received settlements or verdicts in personal injury cases to manage these often life changing sums. From his experience in the legal world Mr. Siracusano recognized that the party who suffered a serious injury could find it even more traumatizing when confronted by a dramatic change in their economic status. This was even more problematic in the area of TBI, which prompted Mr. Siracusano's membership in the North American Brain Injury Society (NABIS), where he was elected to the Board of Directors, and the American Association for Justice (formerly the American Trial Lawyers Association).

A resident of Nassau County, NY, Mr. Siracusano is a member of the WE CARE Advisory Board, the Nassau County Bar Association's charity arm, whose mission is to raise & distribute funds for those in need throughout Nassau County. For the past three years Mr. Siracusano has chaired the WE CARE Golf Outing, the charity's largest fund raising event, and has helped, in these challenging times, to achieve record levels of sums in successive years.

Mr. Siracusano continues to bring together the legal and financial communities, in order to maximize the benefits to those victims and their families who have suffered serious injuries or are otherwise in need.
