

**Edwin F. Simpser, M.D.**  
**St. Mary's Healthcare System for Children**  
**29-01 216<sup>th</sup> Street**  
**Bayside, New York 11360**  
**(718) 281-8778**

**EDUCATION AND TRAINING:**

- 1986 - 1988            Research Fellow Pediatric GI and Nutrition  
North Shore University Hospital - Cornell University Medical College  
Manhasset, New York
- 1985 - 1986            Clinical Fellow Pediatric GI and Nutrition  
North Shore University Hospital - Cornell University Medical College  
Manhasset, New York
- 1982 – 1985            Pediatrics Residency, Case Western Reserve University School of Medicine  
Rainbow Babies and Children's Hospital, Cleveland, Ohio
- 1978 – 1982            Medical Degree, Albert Einstein College of Medicine, Bronx, New York
- 1974 – 1978            Bachelors of Arts, Yeshiva University, Bronx, New York

**PROFESSIONAL LICENSURE:**

- 1983    Ohio
- 1985    New York, License #162210

**CERTIFICATION AND LICENSURE:**

**Specialty Certification:**

- 2004                    American Board of Pediatrics  
Sub-board of Pediatric Gastroenterology and Nutrition  
(Recertification)

1997 American Board of Pediatrics  
Sub-board of Pediatric Gastroenterology and Nutrition  
(Recertification)

1991 American Board of Pediatrics  
Sub-board of Pediatric Gastroenterology and Nutrition

1987 American Board of Pediatrics

**HOSPITAL APPOINTMENTS:**

January 2006 - Present Executive Vice President,  
Chief Operating Officer  
Chief Medical Officer  
St. Mary's Healthcare System for Children  
Bayside, New York

January 2002 - Present Attending Physician  
Department of Pediatrics  
New York Hospital Queens  
Flushing, New York

April 2000 -  
December 2005 Executive Vice President,  
Operations and Medical Affairs  
St. Mary's Healthcare System for Children  
Bayside, New York

January 1999 - Present Attending Physician  
Department of Pediatrics  
North Shore University Hospital  
Manhasset, New York

January 1999 - April 2000 Vice President, Medical Services  
St. Mary's Hospital for Children  
Bayside, New York

September 1995 -  
December 1998 Chief, Division of Pediatric Nutrition  
Department of Pediatrics  
North Shore University Hospital  
Manhasset, New York

January 1989 -  
September 1995 Physician-In-Charge  
Pediatric Nutrition Service  
North Shore University Hospital

1988 – 1999                      Manhasset, New York  
Associate Attending Pediatric Gastroenterologist  
North Shore University Hospital  
Manhasset, New York

**ACADEMIC APPOINTMENTS:**

1996 - Present                      Assistant Professor of Pediatrics  
NYU School of Medicine

1990 - 1997                          Assistant Professor of Pediatrics  
Cornell University Medical College

1988 - 1990                          Instructor in Pediatrics  
Cornell University Medical College

**HONORS AND AWARDS:**

1990                                      Finalist, Young Investigators Award  
North American Society for Pediatric  
Gastroenterology and Nutrition

1987- 1988                              American Liver Foundation  
Postdoctoral Research Fellowship Award

1987 - 1988                              NIH-Biomedical Research  
Support Group Award

**MEMBERSHIPS IN PROFESSIONAL SOCIETIES:**

1999 - Present                          American Medical Directors Association

1990 - 2000                              American College of Nutrition

1990 - 2000                              American College of Gastroenterology

1989 - Present                          New York State/Long Island  
Society of Parenteral and Enteral Nutrition

1989 - Present                          American Society of Parenteral and Enteral Nutrition

1988 - Present	Nassau County Pediatric Society
1988 - Present	North American Society for Pediatric Gastroenterology and Nutrition
1985 - 2000	American Gastroenterological Association
1983 - Present	American Academy of Pediatrics
1982 - 1989	American Medical Association

**OTHER PROFESSIONAL ACTIVITIES:**

2002	Editor, Pediatric Home Health Care American Academy of Pediatrics
2001	Chairman, American Academy of Pediatrics Chapter Two, Committee on Children with Disabilities
2001	Chairman, Pediatric Handbook Task Force American Society of Parenteral and Enteral Nutrition
1999 - 2001	Chairman, Pediatric Section American Society of Parenteral and Enteral Nutrition
1997 - 1999	Member, Chapters Committee American Society of Parenteral and Enteral Nutrition Chairman
1997 - 1998	Chairman, Performance Improvement Committee Region Care, Inc.
1995 - 1996	President, Long Island Society of Parenteral and Enteral Nutrition
1993 - Present	Member, Medical Advisory Board Region Care, Inc.
1993 - 1994	Member, Nutrition Subcommittee of Patient Care Committee North American Society for Pediatric Gastroenterology and Nutrition
1993 - 1994	President, Long Island Society of Parenteral and Enteral Nutrition
1992 - 1993	President Elect, Long Island Society of Parenteral and Enteral Nutrition

1991 - 1992

Chairman, Education and Professional Development,  
Long Island Society of Parenteral and Enteral Nutrition

1990 - 1991

Director-at-Large, Long Island  
Society of Parenteral and Enteral Nutrition

### **TEACHING ACTIVITIES:**

1. Grand Rounds, Winthrop University Hospital, New York.  
Cholestatic Jaundice in Neonates, August, 1988.

2. Grand Rounds, South Nassau Communities Hospital, New York. Functional Constipation in Children, October, 1988.
3. Grand Rounds, Mercy Hospital, New York. Chronic Diarrhea of Infancy, February 1989.
4. Professorial Rounds, North Shore University Hospital, New York. Chronic Diarrhea, May, 1989.
5. Grand Rounds, Brookdale Hospital, Brooklyn, New York. Parenteral Nutrition in Children, April, 1991.
6. Grand Rounds, William Beaumont Hospital, Royal Oak, Michigan. Nutritional Aspects of Pediatric GI Disorders, January, 1992.
7. Grand Rounds, North Shore University Hospital, Manhasset, New York. High Tech Home Care in Pediatrics: It's More Than Chicken Soup, April, 1992.
8. Presenter, Long Island Chapter of the Crohn's and Colitis Foundation of America, Inc., Great Neck, New York. IBD & Me Education Day, May, 1992.
9. Moderator, Nutrition and the Geriatric Patient, sponsored by LISPEN, North Shore University Hospital, May, 1992.
10. Lecturer, Pediatric Nutrition, Cornell University Medical College, First Year Nutrition Course 1993 - 1998.
11. Grand Rounds, Flushing Hospital Medical Center, Flushing, New York. Nutrition in Infancy, A Proper Use of Formula, October 27, 1993.
12. Lecturer, Pediatric Nutrition, NYU School of Medicine, Third Year Pediatric Course 1995-1997.
13. Teaching Conference: Memorial Sloan-Kettering Cancer Center, Cornell University Medical College, Nutrition in Pediatric Cancer Patients, June 1995.
14. Teaching Conference: Nassau County Medical Center, Nutrition Considerations in HIV Infection: The Pediatric Perspective, April 1996.
15. Professorial Rounds, North Shore University Hospital, Short Bowel Syndrome, February 1994; June 1997.
16. Video Teleconference: North Shore University Hospital Professorial Rounds, Pediatric Nutrition, March 1996; November 1997.
17. Grand Rounds: Staten Island University Hospital, Nutritional Treatment of Common Gastro-intestinal Disorders, December 1997.
18. Teaching Elective Course: Cornell University Medical College, "Growth and Clinical Support in Children," April 29, 1998.
19. St. Mary's Hospital for Children: Medical Staff Teaching Conference "Gastrointestinal Disorders

in Infants & Children,” January 12, 1998.

20. Neonatal Grand Rounds, Cornell University Medical College, New York. Short Bowel Syndrome, March 21, 2000.
21. Grand Rounds, Flushing Hospital Medical Center, New York. Short Bowel Syndrome, January 8, 2001.
22. Grand Rounds, Flushing Hospital Medical Center, New York. Palliative Care in Pediatrics, October 2002.
23. Grand Rounds, Jamaica Hospital Medical Center, New York. Palliative Care in Pediatrics, October 2002.
24. Lecturer, Nutrition in PICU, New York Hospital – Cornell University Medical Center, New York, December 2002.
25. Lecturer, Pediatric Nutrition, Albert Einstein College of Medicine, Second Year Pathophysiology Course, 2002-present.
26. Grand Rounds, New York Hospital Queens, New York, “Childhood Nutrition – It’s Not Just Chicken Soup” March, 2003.
27. Grand Rounds, St. Vincent’s Hospital, New York, NY, Palliative Care in Pediatrics, March 9, 2004.
28. Grand Rounds, Flushing Hospital Medical Center, New York, Pediatric Short Bowel Syndrome, March 15, 2004.
29. Moderator, Department of Pediatrics 3<sup>rd</sup> Annual Pediatric GI Symposium, New York Hospital Queens, November 17, 2005.
30. Grand Rounds, Schneider Children’s Hospital, New Hyde Park, New York, “Pediatric Palliative Care, the New Paradigm, the Earlier the Better,” February 15, 2006.
31. Grand Rounds, Cooper Health System, Camden, New Jersey, Pediatric Palliative Care, January 10, 2006.
32. Pediatric Palliative Care; National Association of Children’s Hospitals and Related Institutions, 2007 Specialty Hospitals Conference, Fort Lauderdale, Florida, February 10, 2007.
33. Grand Rounds, Long Island College Hospital, Brooklyn, New York, Pediatric Palliative Care, February 21, 2007.
34. Grand Rounds, Nassau University Medical Center, East Meadow, New York, Pediatric Palliative Care, March 1, 2007.
35. Pediatric GI problems in school age children, New York City Department of Health and Mental Hygiene –

Bureau of School Health Annual Physician In-Service/CME, 2 Washington Street, New York, New York, September 4, 2007.

36. Grand Rounds, Winthrop University Hospital, Mineola, New York, Pediatric Palliative Care, October 16, 2007.
37. Grand Rounds, The Children's Hospital at Montefiore, Bronx, New York, Pediatric Palliative Care, December 19, 2007.
38. Grand Rounds, New York Hospital Queens, Flushing, New York, Pediatric Palliative Care: A New Paradigm, January 3, 2008.
39. Lecturer, Bronx-Lebanon Hospital, Bronx, New York, Pediatric Post Acute Care, October 28, 2008.

#### **PRESENTATIONS AT SCIENTIFIC MEETINGS:**

1. Simpser E, Karl PI, Daum F, Fisher SE: Hepatic Protein Kinase C is Decreased in the Pre-Weanling Rat. Presented to the American Association For The Study of Liver Diseases/ American Gastroenterological Association, Chicago, IL, May, 1987.
2. Simpser E, Karl PI, Daum F, Fisher SE: Hepatic Protein Kinase C is Decreased in the Pre-Weanling Rat. Presented to the Mead-Johnson Neonatal Gastroenterology and Nutrition Conference, Hilton Head, SC, October, 1987.
3. Kahn E, Daum F, Markowitz J, Blomquist K, Aiges H, Simpser E: Sinus and fistuale formation (SF) in children with Crohn's disease. Accepted for Presentation at the National Meeting of The American College of Gastroenterology, New York, NY, October, 1988.
4. Simpser E, Kahn E, Duffy L, Markowitz J, Daum F: Neuronal Intestinal Dysplasia: A Conservative Approach and Long Term Follow-up. Presented to the annual meeting of the North American Society for Pediatric Gastroenterology and Nutrition, Chicago, IL, November, 1988.
5. Simpser E, Karl PI, Daum F, Fisher SE: Characteristics of Phorbol Ester Binding in Adult and Neonatal Rat Liver. Presented to the annual meeting of the North American Society for Pediatric Gastroenterology, Chicago, IL, November, 1988.
6. Chawla A, Simpser E, Kenigsberg K, Kahn E, Aiges H, Fisher S, Markowitz J, Daum F: Recurrent Gastrointestinal Bleeding Associated with Gastric Duplication and Pancreatic Pseudocyst: A Rare Anatomical Finding. Presented to the annual meeting of the North American Society for Pediatric Gastroenterology and Nutrition, Chicago, IL, October 1989.
7. Simpser E, Divald A, Karl PI, Fisher S: Phorbol Ester Down-Regulates Glucagon Stimulated Bile Acid Uptake in Hepatocytes. Presented to the American Association for The Study of Liver Diseases, San Antonio, Texas, May 1990.
8. Simpser E, Divald A, Karl PI, Fisher S: Protein Kinase C (PKC) Modulation of Glucagon-Stimulated Hepatic

Taurocholate (TC) Uptake is Independent of Intracellular cAMP or Calcium (Ca). Presented to The American Association for The Study of Liver Diseases, Chicago, Illinois, November 1990.

9. Simpser E, Divald A, Karl P, Fisher SE: Phorbol-Ester Down Regulates Glucagon Stimulated Bile Acid Uptake in Hepatocytes Independent of cAMP or Calcium. Presented to The Mead Johnson Research Forum for Pediatric Gastroenterology, Palm Springs, March, 1991.
10. Simpser E, Divald A, Karl PI, Fisher S: Phorbol Ester Down-Regulates Glucagon-Stimulated Bile Acid Uptake in Hepatocytes. Poster presentation at the 75th Annual Meeting of the Federation of American Societies for Experimental Biology, Atlanta, GA, April 1991.
11. Simpser E, Harvey L, Weinblatt M, Rota S: Intralipid Infusions Do Not Increase Septicemia in Bone Marrow Transplant (BMT) Recipients. Presented to the annual meeting of the North American Society for Pediatric Gastroenterology and Nutrition. Chicago, IL, November 1991.
12. Simpser E, Lecturer, Long Island Society for Parenteral and Enteral Nutrition, Parenteral Alimentation in the Neonate, Winthrop University Hospital, January 13, 1993.
13. Simpser E, Harvey D, Belsten L, Pavlakis S, Gould R: Ketogenic Diet: What To Do When NPO? Presented at Annual Meeting of American Society for Parenteral and Enteral Nutrition. San Diego, February, 1993.
14. Markowitz J, Grancher K, Rosa J, Simpser E, Aiges H, Daum F: Highly Destructive Perianal Disease in Black Children with Crohn's Disease. Presented to the National Meeting of the American College of Gastroenterology, New York, NY, October 1993.
15. Markowitz J, Grancher K, Rosa J, Simpser E, Aiges H, Daum F: High Destructive Perianal Disease in Black Children with Crohn's Disease. Presented to the National Meeting of the North American Society for Pediatric Gastroenterology and Nutrition, Chicago, IL, November 1993.
16. Simpser E, Ward R, Kahn E, Markowitz J: Laparoscopic Diagnosis of Chronic Intestinal Pseudo-Obstruction. Presented to the National Meeting of the North American Society for Pediatric Gastroenterology and Nutrition, Chicago, IL, November, 1993.
17. Simpser E, Larsen P, Napolitano B: Resting Energy Expenditure in Children with Chronic Diseases. Presented at Annual Meeting of American Society for Parenteral and Enteral Nutrition, Miami, January, 1995.
18. Simpser E, Lecturer, Long Island Society for Parenteral and Enteral Nutrition, Enteral Nutrition Support in Children, May 1995.
19. Simpser E, Nutrition in Children with AIDS. Postgraduate Course, Annual Meeting of the American Society for Parenteral and Enteral Nutrition, Washington D.C., January, 1996.
