

**George Issa Jallo, M.D.**

February 14, 2009

---

Signature

## **DEMOGRAPHICS**

Associate Professor of Neurosurgery, Pediatrics and Oncology  
Director, Clinical Pediatric Neurosurgery  
Department of Neurosurgery  
Johns Hopkins University

### *Office Address:*

Division of Pediatric Neurosurgery  
Johns Hopkins Hospital  
600 North Wolfe Street, Harvey 811  
Baltimore, Maryland 21287  
Phone (410) 955-7851  
Fax (410) 955-7862  
E-mail [gjallo1@jhmi.edu](mailto:gjallo1@jhmi.edu)

## **Education and Training**

*George Washington University, Washington, DC*  
Bachelor of Science, Major: Chemistry, 1987  
Minors: French and Zoology

*Institute for American Universities, Aix-en-Provence, France (1986)*

*University of Virginia Medical School*  
Doctor of Medicine, May 1991

### *Postgraduate Training*

*New York University Medical Center, New York*

*Internship: General Surgery, July 1991 to June 1992*

*Residency: Neurosurgery, July 1992 to June 1998*

*Research: Angiogenesis, extracellular matrix and CNS neoplasia.*

*Kaplan Comprehensive Institute, July 1995 to July 1996. Advisors:  
Martin Grumet PhD and David Zagzag MD, PhD.*

*University of Cincinnati Medical College, Cincinnati, Ohio*  
Goodyear Laboratory: April 1995 to July 1995

*Beth Israel Medical Center, Institute for Neurology and Neurosurgery, New York*  
*Fellowship: Pediatric Neurosurgery, July 1998 to June 1999*

## Professional Experience

Assistant Professor of Neurosurgery and Pediatrics, *Albert Einstein College of Medicine*, July 1999 to June 2003

Attending Neurosurgeon, *Beth Israel Medical Center*, July 1999 to June 2003

Attending Neurosurgeon, *St. Lukes-Roosevelt Hospital Center*, February 2002 to June 2003

Assistant Professor of Neurosurgery, Pediatrics and Oncology, *Johns Hopkins University School of Medicine*, July 2003 to February 2006

Associate Professor of Neurosurgery, Pediatrics and Oncology, *Johns Hopkins University School of Medicine*, February 2006 to present

### *Administrative Appointments*

Director, Clinical Pediatric Neurosurgery, Johns Hopkins University, February 2004 -  
Program Director, Neurosurgery, Johns Hopkins University, January 2007 -

## RESEARCH ACTIVITIES

### Publications

#### *Peer-reviewed scientific articles*

152. McGirt M, Carson BS, **Jallo GI**. *Predictors of Treatment Failure after Suboccipital Decompression for Pediatric Chiari I Malformation: Analysis of 279 Consecutive Cases*. 35<sup>th</sup> International Society of Pediatric Neurosurgery, September 2007.
153. McGirt M, Yao K, Constantini S, Epstein FJ, **Jallo GI**. *Risk Factors for Progressive Spinal Deformity Following Surgical Resection of Intramedullary Spinal Cord Tumors in Children: Analysis of 164 Consecutive Cases*. 35<sup>th</sup> International Society of Pediatric Neurosurgery, September 2007.
154. McGirt M, Yao K, Witham TF, Bydon A, Chaichana KL, Bitan F, Epstein FJ, **Jallo GI**. *A Proposed Grading System for Intramedullary Spinal Cord Tumors in Children: Predictive Value for Subsequent Progressive Spinal Deformity*. Section of Pediatric Neurological Surgery, November 2007.
155. McGirt M, Yao K, Witham TF, Bydon A, Chaichana KL, **Jallo GI**. *Laminoplasty versus Laminectomy Is Associated with a Decreased Incidence of Spinal Deformity after Resection of Intramedullary Spinal Cord Tumors in Children*. Section of Pediatric Neurological Surgery, November 2007.
156. McGirt M, Attenello F, Carson B, **Jallo GI**. *Suboccipital Decompression for Chiari-Associated Scoliosis: Risk Factors and Time Course of Deformity Progression*. Section of Pediatric Neurological Surgery, November 2007.
157. Sciubba D, Noggle J, Vellimina A, Woodworth G, **Jallo GI**. *Incidence and Natural History of Aneurysms Associated with Arteriovenous Malformations in Children*. Section of Pediatric Neurological Surgery, November 2007.

158. Sciubba DM, Chaichana K, Woodworth GF, McGirt MJ, Gokaslan ZL, **Jallo GI**. *Predictors of Cervical Instability Requiring Fusion after Cervical Laminectomy for Intradural Tumor Resection*. Cervical Spine Research Society, November 2007.
159. McGirt M, Chaichana KL, Attenello F, Bydon A, Witham TF, **Jallo GI**. *Predictors of Motor and Sensory Dysfunction After Resection of Intramedullary Spinal Cord Tumors in Children*. AANS/CNS Spine Section Meeting, February 2008.
160. McGirt M, Chaichana KL, Attenello F, Bydon A, Witham TF, Yao KC, **Jallo GI**. *A Novel Grading System for Intramedullary Spinal Cord Tumors in Children: Predictive Value for Subsequent Progressive Spinal Deformity*. AANS/CNS Spine Section Meeting, February 2008.
161. McGirt M, Chaichana KL, Attenello F, Yao KC, Bydon A, Witham TF, **Jallo GI**. *Laminoplasty versus Laminectomy is Associated with a Decreased Incidence of Spinal Deformity after Resection of Intramedullary Spinal Cord Tumors in Children*. AANS/CNS Spine Section Meeting, February 2008.
162. McGirt M, Attenello F, Bydon A, Witham TF, Carson BS, **Jallo GI**. *Suboccipital Decompression for Chiari-Associated Scoliosis: Risk Factors and Time Course of Deformity Progression*. AANS/CNS Spine Section Meeting, February 2008.
163. McGirt M, Attenello F, Gathini M, Dato G, Carson BS, **Jallo GI**. *Outcome of Chiari-Associated Syringomyelia after Hindbrain Decompression in Children: Analysis of 49 Consecutive Cases*. AANS/CNS Spine Section Meeting, February 2008.
164. McGirt M, Goldstein IM, Chaichana KL, Tobias ME, Kothbauer KF, **Jallo GI**. *Association of Degree of Resection and Survival after Resection of Malignant Intramedullary Astrocytomas of the Spinal Cord*. AANS/CNS Spine Section Meeting, February 2008.
165. Thomale UW, Renard VM, Tyler B, Dorfman B, Vadappuram CP, Carson BS, Haberl HE, **Jallo GI**. *Neurological Scoring in the Rat Brainstem Glioma Model Compared with MR imaging and Histological Evaluation*. American Association of Neurological Surgeons, April 2008.
166. Thomale UW, Renard VM, Tyler B, Dorfman B, Gournieri M, Haberl HE, **Jallo GI**. *Multiple Cannula Placements in the Rat Brainstem for Local Drug Delivery*. American Association of Neurological Surgeons, April 2008.
167. Xia T, Hayes K, Baird C, **Jallo G**. 2008 IEEE International Conference on Robotics and Automation, May 2008.
168. Thomale UW, Renard V, Tyler B, Dorfman B, Chacko VP, Carson BS, Haberl HE, **Jallo GI**. *Rat Brainstem Glioma Model: Neurological Scoring, Histological Evaluation and MR Imaging*. 59<sup>th</sup> Annual Meeting German Society of Neurosurgery (GDNC), June 2008.
169. Chaichana KL, McGirt M, Attenello F, Weingart J, Carson BS, **Jallo GI**, Quinones-Hinosa A. *Outcome Analysis of Malignant Supratentorial Malignant Brain Tumors in Children*. Congress of Neurological Surgeons, September 2008.

170. Shakur S, Atiba A, McGirt M, **Jallo GI**. *Angiocentric Glioma: Case Series and Review of the Literature*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
171. Noggle JC, Sciubba DM, **Jallo GI**. *Supraciliary Keyhole Craniotomy for Brain Abscess Debridement*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
172. Sciubba DM, Noggle JC, **Jallo GI**. *Pediatric Patients with Occipitocervical Instability Treated with Fusion: A Ten-Year Institution Experience*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
173. McGirt M, Chaichana KL, Attenello F, Carson BS, Weingart JD, **Jallo GI**. *Factors Associated with Recurrence and Survival for Pediatric Supratentorial Malignant Gliomas*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
174. Attenello FJ, McGirt M, Carson B, Weingart JD, **Jallo GI**. *Outcome of Chiari-Associated Syringomyelia after Hindbrain Decompression in Children: Analysis of 49 Consecutive Cases*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
175. Attenello FJ, Chaichana KL, **Jallo GI**. *Suboccipital Decompression For Chiari I Malformation: Outcome Comparison Of Duraplasty With Expanded Polytetrafluoroethylene Dural Substitute Versus Pericranial Autograft*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
176. Sciubba DM, Noggle JC, **Jallo GI**. *Incidence and Natural History of Aneurysms Associated with Arteriovenous Malformations in Children*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
177. Frazier J, Chaichana K, Quinones-Hinosa A, **Jallo GI**. *Combined Endoscopic and Microscopic Management of Pediatric Pituitary Region Tumors Through One Nostril*. 36<sup>th</sup> Annual International Society of Pediatric Neurosurgery Meeting, October 2008.
178. McGirt MJ, Garces Ambrossi GL, Attenello FJ, Weingart J, Sciubba DM, **Jallo G**. *Outcome of Chiari-Associated Syringomyelia after Hindbrain Decompression in Children: Analysis of 49 Consecutive Cases*. Cervical Spine Research Society Meeting, December 2008.
179. McGirt MJ, Garces Ambrossi GL, Chaichana KL, Attenello FJ, , Sciubba DM, Gokaslan Z, **Jallo G**. *Spinal Deformity after Resection of Cervical Intramedullary Spinal Cord Tumor in Children*. Cervical Spine Research Society Meeting, December 2008.
180. Garces Ambrossi GL, McGirt MJ, Sciubba DM, Witham TF, Bydon A, Wolinsky JP, **Jallo G**, Gokaslan Z. *Factors Associated with Progression-Free Survival and Long-Term Neurological Outcome after Resection of Intramedullary Spinal Cord*

- Tumors. Analysis of 101 Consecutive Cases.* Cervical Spine Research Society Meeting, December 2008.
181. Garces Ambrossi GL, McGirt MJ, Sciubba DM, Bydon A, Wolinsky JP, Witham T, Gokaslan Z, **Jallo GI.** *Spinal Deformity Following Laminoplasty versus Laminectomy for Resection of Intradural Spinal Tumors: Analysis of 238 Patients* Cervical Spine Research Society Meeting, December 2008.
182. Attenello FJ, Garces-Ambrossi GL, Chaichana KL, Ahn E, Carson BS, **Jallo GI.** *Suboccipital Decompression for Chiari I Malformation: Outcome Comparison Of Duraplasty With Expanded Polytetrafluoroethylene Dural Substitute Versus Pericranial Autograft.* Section of Pediatric Neurological Surgery, December 2008.
183. Attenello FJ, Garces-Ambrossi GL, Sciubba DM, Ahn E, Carson BS, Weingart JD, **Jallo GI.** *Medical Costs Associated With Shunt Infections in Patients Receiving Antibiotic-impregnated Shunts Versus Standard Shunt Catheters.* Section of Pediatric Neurological Surgery, December 2008.
184. Attenello FJ, Parker SL, Garces-Ambrossi GL, Sciubba DM, Ahn E, Weingart JD, Carson BS, **Jallo GI.** *Antibiotic-impregnated Versus Standard Shunt Systems Are Associated With Decreased Shunt Infection in High-risk Patient Subgroups.* Section of Pediatric Neurological Surgery, December 2008.
185. Garces-Ambrossi GL, Attenello FJ, Samuels R, Sutter EG, Bydon A, Gokaslan Z, Carson BS, **Jallo GI.** *Surgical Management of Pediatric Tethered Cord Syndrome With and Without Duraplasty: Neurological Outcome and Incidence of Retethering After 115 Consecutive Cases.* Section of Pediatric Neurological Surgery, December 2008.
186. Bettogowda C, Ahn E, Weingart JD, Carson BS, **Jallo GI.** *Treatment of Choroid Plexus Tumors: A 20-Year Institutional Experience.* Section of Pediatric Neurological Surgery, December 2008.
187. **Jallo GI.** *Management of Spasticity.* 4<sup>th</sup> Annual Neurological Surgery Conference on Internet, December 2008.
188. **Jallo GI,** Thomale U, Renard V, Tyler B, Carson B. *Neurological Grading, Survival, MR Imaging and Histology in the Rat Brainstem Glioma Model.* 32<sup>nd</sup> Annual Meeting of the American Society of Pediatric Neurosurgeons, January 2009.
189. Zabel TA, Paulos SK, **Jallo G,** Ahn E, Johnston M. *Neuropsychological Outcomes Following Acquired Obstructive Hydrocephalus and Endoscopic Third Ventriculostomy: Three Adolescent Case Examples.* 37<sup>th</sup> Annual Meeting of the International Neuropsychological Society, February 2009.

## **Extramural Sponsorship**

1. The Development of an Animal Model for Diffuse Pontine Gliomas. Principal Investigator, *Schejola Family Fund*: January 2000-December 2001, \$200,000.
2. Neurophysiological Monitoring of Sensory and Motor Pathways during Intraspinal Surgery. Principal Investigator, *Inn Foundation Grant*: January 2001-December 2001, \$35,000.
3. The Progression of Spinal Deformity in Children with Intramedullary Spinal Cord Tumors. Principal Investigator, *Medtronic-Sofamor Danek*: January 2001-December 2002, \$60,000.
4. Development of Intramedullary Spinal Cord Tumor Model. Principal Investigator, *Malia's Cord Foundation*: January 2005- December 2007, \$225,000.
5. Brainstem Cancer Therapy using M4N. Principal Investigator, *Erimos Grant*, June 2005-May 2006, \$82,000.
6. Antibiotic-Impregnated Catheters for Pediatric Hydrocephalus. Principal Investigator, *Codman Johnson & Johnson Educational Grant*, January 2006-December 2006, \$15,000.
7. Local Delivery for Diffuse Pontine Gliomas. Principal Investigator, *Beez Foundation*, February 2006-December 2006, \$10,000.
8. Isolation, Characterization, Migration and Transformation to Cancer Stem Cells of Human Pediatric Subventricular Zone Neural Stem Cells, Principal Investigator, *Children's Cancer Foundation*, November 2006-October 2008, \$198,000.
9. Hypothermia for Severe Traumatic Brain Injury in Children, Principal Investigator, *NIH: University of Pittsburgh Consortium*, May 2007-.
10. Diffuse Brainstem Tumors and Radiation Sensitizers. Principal Investigator, *Medical Support Association*, March 2008- February 2009, \$25,000.
11. An Operator-Blinded, Non-Invasive, Observational Study of the Efficacy of a Non-Interventional Device, ShuntCheck, in Predicting Ventriculo-Peritoneal Shunt Flow and Clinical Outcome in Children and Adolescents Presenting to Emergency Departments, Principal Investigator, *NeuroDiagnostic Devices*, August 2008-July 2009, \$58,000.

## EDUCATIONAL ACTIVITIES

### Mentoring

#### *Residents and Fellows*

1. Mentor, Johns Hopkins University, Department of Neurosurgery, Resident, Ryan Kretzer, M.D. 2004 to present
2. Mentor, Johns Hopkins University, Department of Neurosurgery, Resident, Alexander Coon, M.D. 2007 to present

#### *Medical and Undergraduate Students*

1. Research Advisor, Alia Hdeib, MSIII-IV, June 2005 to June 2006.

2. Research Advisor, William Pennant, Undergraduate, December 2005 to June 2006.
3. Research Advisor, Gary Kao, Undergraduate, January 2006 to August 2006, Howard Hughes Fellow.
4. Research Advisor, Neena Marpudi, MSIII, June 2006 to August 2006, American Brain Tumor Association Summer Fellow.
5. Research Advisor, Aditya Halhore, MS, June 2008 to August 2008, American Brain Tumor Association Summer Fellow.

## **Editorial Activities**

### *Editorial Board*

1. **Annals of Neurosurgery**, January 2001 to present
2. **Child's Nervous System**, *associate editor*, November 2008 to present
3. **Faculty of 1000 Medicine:Neurology**, <http://www.f1000medicine.com>, November 2005 to present
4. **Internet Journal of Neurosurgery**, <http://www.ispub.com/journals/ijns.htm>, January 2001 to present
5. **Journal of Neurosurgery:Neurosurgical Focus**, *Topic Editor*, Neuroendoscopy, December 2005
6. **Journal of Pediatric Neurology, Advisory Board**, March 2004 to present
7. **Neurology: India, Advisory Board**, June 2003 to present
8. **Open Neurosurgery Journal**, *Editor-in-Chief*, July 2008 to present
9. **Pediatric Neurosurgery**, April 2004 to present
10. **Spine Universe**, <http://www.spineuniverse.com>, June 2003 to present

### *Journal Reviewer*

1. **Cancer Therapy**, *ad hoc reviewer*, March 2007 to present
2. **Clinical Neurology and Neurosurgery**, *ad hoc reviewer*, December 2007 to present
3. **Journal of Neuro-Oncology**, *ad hoc reviewer*, October 2007 to present
4. **Journal of Neurology, Neurosurgery, & Psychiatry**, *ad hoc reviewer*, June 2006 to present
5. **Journal of Pediatric Neurology**, *ad hoc reviewer*, August 2006 to present
6. **Neurology: India**, *ad hoc reviewer*, June 2003 to present
7. **Magnetic Resonance Materials in Physics, Biology and Medicine**, *ad hoc reviewer*, April 2007 to present
8. **Neurosurgery**, *ad hoc reviewer*, January 2002 to present
9. **Neurosurgical Review**, *ad hoc reviewer*, September 2006 to present
10. **Pediatric Blood and Cancer**, *ad hoc reviewer*, January 2004 to present
11. **Southern Medical Journal**, May 2006 to present
12. **Spinal Cord**, *ad hoc reviewer*, January 2002 to present
13. **Surgical Neurology**, *ad hoc reviewer*, January 2002 to present

14. **Yonsei Medical Journal**, *ad hoc reviewer*, October 2007 to present

## **CLINICAL ACTIVITIES**

### **Certification**

- American Board of Neurological Surgery, 2002
- American Board of Pediatric Neurological Surgery, 2004
- National Board of Medical Examiners, Diplomate 1992

### **Licensures**

- Maryland State Medical License, 2003
- New Jersey State Medical License, 2003
- New York State Medical License, 1992

## **ORGANIZATIONAL ACTIVITIES**

### *National and International*

1. AANS/CNS Section of Pediatric Neurological Surgery
  1. *Education Committee: Vice Chairman*
  2. *ISPN Liaison*
2. American Association of Neurological Surgeons
3. American College of Surgeons, Fellow
4. American Medical Association
5. American Society of Pediatric Neurosurgeons
6. Children's Oncology Group
  1. *ACNS0232 Study Committee, Radiotherapy Alone vs Chemotherapy Followed by Response-Based Radiotherapy for Newly Diagnosed Primary CNS Germinoma*
7. Congress of Neurological Surgeons
  1. *Information Technology Committee*
  2. *Director, Sergeant-at-Arms October 2006 Annual Meeting*
  3. *Director, Sergeant-at-Arms September 2007 Annual Meeting*
8. International Society of Pediatric Neurosurgeons
  1. *Education Committee*
9. North American Skull Base Society
10. Society for Neuro-Oncology

### *Local and State*

1. Maryland Neurosurgery Society

### *Institutional*

1. Graduate Medical Education Committee, January 2007 to present
2. Neurosciences Website Committee, January 2005 to present
3. Neurosciences Implementation Physician Order Entry (POE) Committee, July 2005 to July 2007
4. Pediatric Trauma Committee, July 2003 to present
5. Program Director, Neurosurgery Residency Program, January 2007 to present

## RECOGNITION

### *Honors and Awards*

#### *Education and Training*

Graduated Magna Cum Laude, 1987  
Omicron Delta Kappa, National Leadership Honor Society  
Pi Delta Phi, National French Honor Society  
Alpha Chi Sigma Prize, award for Highest Chemistry Honors  
The American Institute of Chemists Award  
Britt Chemistry Scholarship, 1984-1986  
William F. Grupe Foundation Scholarship, 1987-1989

#### *Professional*

Baltimore Magazine, Best Doctors, 2007-present  
Best Doctors in America, 2005-present  
Chairman's Award of Excellence in Teaching. *Excellence in Resident Teaching and Education*, June 2008  
Castle Connolly America's Top Doctors, 2008-present  
Castle Connolly America's Top Doctors for Cancer, 2008-present  
Consumers' Research Council of America, Guide to America's Top Surgeons, 2006-present  
Patients' Choice Award, 2008-present  
Richard Otenasak, Jr., Faculty Teaching Award. *Excellence in Teaching and Commitment to Resident Education*, June 2006

#### *Invited Talks, Panels*

1. *Tenascin, Angiogenesis and Central Nervous System Neoplasia*. New York Neurosurgical Society, April 1997.
2. *Spinal Cord Anatomy and Physiology*. Neuroscience Symposium at the INN, September 1999.
3. *Image Guided Resection of Brain Tumors*. Beth Israel Medical Center Department of Pediatrics Grand Rounds, October 1999.
4. *Neurosurgery for Thalamic and Hypothalamic Tumors*. Symposium: Thalamic and Hypothalamic Tumors of Childhood. *Institute for Neurology and Neurosurgery*, November 1999.
5. *Intraspinal Tumors of Childhood*. Temple University, Department of Neurology and Neurosurgery Grand Rounds, March 2000.
6. *Interactive Image Guided Neurosurgery: Practical Course*. American Association of Neurological Surgeons, April 2000.

7. *Myelomeningocele: Role of the Doctor*. Beth Israel Medical Center, Department of Pediatrics Grand Rounds, July 2000.
8. *Thalamic Tumors in Children: Diagnosis and Management*. Albert Einstein School of Medicine, Department of Neurosurgery Grand Rounds, August 2000.
9. *Minimally Invasive Neurosurgery in Children*. Association of Operating Room Registered Nurses, September 2000.
10. *ABC's of Brain Tumors*. Beth Israel Medical Center, Department of Pediatrics Grand Rounds, March 2001.
11. *SLT Contact Laser for Neurosurgery*. First Emirates Neuroscience Conference, Dubai, United Arab Emirates, April 2001.
12. *Pediatric Neuro-Oncology: Case Studies*. American Academy of Neurology, May 2001.
13. *Minimizing Blood Loss in Pediatric Neurosurgical Procedures*. Blood Conservation: Alternative or Necessity, New York Academy of Medicine, November 2001.
14. *Supratentorial and Pineal Region PNET*. Symposium: Medulloblastomas and Other PNETs. *Institute for Neurology and Neurosurgery*, November 2001.
15. *Trials and Tribulations of Using the MR Scanner in the Operating Room*. Joint Section on Pediatric Neurological Surgery, November 2001.
16. *Surgical Technique for Posterior Fossa Tumors*. Sixth European Postgraduate Course in Pediatric Neurosurgery, May 2002.
17. *Malignant Brainstem Gliomas*. Sixth European Postgraduate Course in Pediatric Neurosurgery, May 2002.
18. *Spinal Deformity Following Surgery for Intraspinal Tumors*. Current Concepts in Treatment of Pediatric Spinal Disorders: A Primer for the Pediatric Practitioner, Cedars-Sinai Medical Center, June 2002.
19. *Contact Laser Microsurgery*. European Society for Pediatric Neurosurgery, June 2002.
20. *Neurosurgery with a Laser: Practical Course*. European Society for Pediatric Neurosurgery, June 2002.
21. *Spinal Cord Tumors: A Primer*. International Spinal Cord Tumor Support Group, July 2002.
22. *Neurosurgical Management of Arachnoid Cysts*. Beth Israel Medical Center, Department of Pediatrics Grand Rounds, September 2002.
23. *Image Guidance Cranial Navigation: Practical Course*. Congress of Neurological Surgeons, September 2002.
24. *Advances in Intraoperative Monitoring in Neurosurgery*. Benjamin Bloom Hospital Nacional de Niños, El Salvador, San Salvador Neurosurgical Society, November 2002.
25. *Spinal Cord Surgery: Neurosurgical View*. III<sup>rd</sup> International Symposium on Intraoperative Neurophysiological Monitoring in Neurosurgery, *Institute for Neurology and Neurosurgery*, November 2002.

26. *Passive Cranial Navigation*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2002.
27. *Passive Spinal Navigation*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2002.
28. *Image Guidance: How-do-I-do-it*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2002.
29. *Pediatric Spinal Cord Tumors*. Johns Hopkins University, Department of Neurosurgery Grand Rounds, January 2003.
30. *Brainstem Tumors Classification and Management*. Memorial Sloan-Kettering Hospital. Department of Pediatrics Grand Rounds, April 2003.
31. *Myelomeningocele: Initial Management*. Sixth European Postgraduate Course in Pediatric Neurosurgery, May 2003.
32. *Hypothalamic Lesions*. Sixth European Postgraduate Course in Pediatric Neurosurgery, May 2003.
33. *Case Presentations: Solve a Case*. Sixth European Postgraduate Course in Pediatric Neurosurgery, May 2003.
34. *Hydrocephalus and Ventricular Shunts*. Beth Israel Medical Center, Department of Pediatrics Grand Rounds, May 2003.
35. *Neurosurgery: Today and Tomorrow*. VI Congreso Internacional de Estudiantes de Medicina, El Salvador, May 2003.
36. *Brainstem Tumors: Current Management*. Beth Israel Medical Center, Department of Pediatrics Grand Rounds, June 2003.
37. *Spinal Cord Tumors: New Developments*. (AMC), Department of Neurosurgery Grand Rounds, Amsterdam, August 2003.
38. *Hydrocephalus and VP Shunts*. Sinai Hospital, Department of Pediatrics Grand Rounds, Baltimore, November 2003.
39. *Hydrocephalus, Shunt and Complications*. Johns Hopkins Hospital, Department of Pediatrics Resident Conference, November 2003.
40. *Passive Cranial Navigation*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2003.
41. *Passive Spinal Navigation*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2003.
42. *Image Guidance: How-do-I-do-it*. Advanced Techniques in Image-Guided Brain and Spine Surgery, Mount Sinai School of Medicine, December 2003.
43. *Intrathecal Baclofen for Spasticity*. Mt. Washington Pediatric Hospital, Department of Rehabilitation Grand Rounds, Baltimore, January 2004.
44. *Occult Spinal Dysraphism and Tethered Cord Syndrome*. The York Hospital, Department of Pediatrics Grand Rounds, February 2004.
45. *Hydrocephalus and Ventricular Shunts*. Johns Hopkins Hospital, Department of Pediatric Emergency Room Resident Conference, March 2004.

46. *Occult Spinal Dysraphism and Hydrocephalus*. Howard County General Hospital, Department of Pediatric Grand Rounds, May 2004.
47. *Local Delivery of Chemotherapy Agents with Polymers for Pediatric Brain Tumors*. American Society of Clinical Oncology, June 2004.
48. *Effective Management of Hydrocephalus in the Spina Bifida Patient*. Spina Bifida Association of America 31<sup>st</sup> Annual Conference, June 2004.
49. *Spinal Cord Tumors and Aging with a Spinal Cord Tumor*. Spinal Cord Tumor Association Annual Meeting, July 2004.
50. *Pediatric Spinal Cord Tumors*. Spinal Cord Tumor Association Annual Meeting, July 2004.
51. *Pediatric Neurosurgery: An Update*. Division of Pediatric Neurology Grand Rounds, Johns Hopkins Hospital, September 2004.
52. *Neurofibromatosis and the Brain Surgeon*. Neurofibromatosis Conference, Johns Hopkins Hospital, November 2004.
53. *Intramedullary Spinal Cord Tumors: Neurosurgical Perspective*. IV International Intraoperative Neurophysiological Monitoring in Neurosurgery, November 2004.
54. *Novel Treatments for Brain Tumors*. Brain Tumor Foundation Awareness Day 2004, November 2004.
55. *Intradural Spinal Tumors: Management and Complication Avoidance*. Johns Hopkins Hospital, Department of Rehabilitation Medicine Resident Conference, November 2004.
56. *New Approaches for Surgically Eloquent Central Nervous System Tumors*. Florida Brain Tumor Association Awareness Day 2005, January 2005.
57. *Intramedullary Spinal Cord Tumors: Complication Avoidance (panel)*. American Association of Neurological Surgeons, April 2005.
58. *Update on Pediatric Neurosurgery*. Johns Hopkins Children's Center 33<sup>rd</sup> Annual Pediatric Trends, April 2005.
59. *Intramedullary Spinal Cord Tumors: Complication Avoidance*. AO ASIF Interactive Spine Course, Baltimore, April 2005.
60. *Intramedullary Spinal Cord Tumors*. Temple University, Spine Symposium, Philadelphia, May 2005.
61. *MR Imaging for Brachial Plexus Injury*. Exploring Shoulder Dystocia and Brachial Plexus Injury: Multidisciplinary Perspectives, Baltimore, May 2005.
62. *Pediatric Neurosurgery: A 2005 Update*. The Johns Hopkins Biennial Meeting, June 2005.
63. *Hydrocephalus: An Update for the Neurologist*. Neurology Resident Rounds, June 2005.
64. *Management of Spasticity in Children*. 13<sup>th</sup> World Congress of Neurological Surgery, Morocco, June 2005.

65. *Pediatric Neuroendoscopy* (Moderator and Speaker). 13<sup>th</sup> World Congress of Neurological Surgery, Morocco, June 2005.
66. *Intramedullary Spinal Cord Tumors*. International Meeting Updates in Neuro-Oncology, Arezzo, Italy, June 2005.
67. *Intradural Spinal Cord Tumors* (panel). Congress of Neurological Surgeons, October 2005.
68. *Hydrocephalus: A Resident's Primer*. Neuroradiology Teaching Conference, Johns Hopkins University, October 2005.
69. *What's New in Pediatric Head Injury: Guidelines and Observations*. Pediatric Trauma Teaching Conference, October 2005.
70. *Effective Neurosurgical Management in the Patient with Spina Bifida*. Chesapeake-Potomac Spina Bifida Association Conference, October 2005.
71. *AANS Oral Board Review Course* (invited faculty). American Association of Neurological Surgery, November 2005.
72. *Pediatric Hydrocephalus: A Resident's Primer*. Pediatric Resident Conference, Johns Hopkins University, November 2005.
73. *Hydrocephalus for the Pediatric Neurologist: A Comprehensive Approach*. Pediatric Neurology Grand Rounds, Johns Hopkins University, December 2005.
74. *Intramedullary Spinal Cord Tumors: Surgical Techniques and Risk Avoidance* (panel). American Association of Neurological Surgeons, April 2006.
75. *Intramedullary Spinal Cord Tumors: Surgical Management and Functional Recovery*. Department of Rehabilitation Medicine Resident Conference, April 2006.
76. *Head Shape Abnormalities in Infants*. Johns Hopkins Children's Center 34<sup>th</sup> Annual Pediatric Trends, April 2006.
77. *AANS Oral Board Review Course* (invited faculty). American Association of Neurological Surgery, May 2006.
78. *Q&A for the Experienced Parent*. 9<sup>th</sup> National Conference on Hydrocephalus, May 2006.
79. *Intramedullary Spinal Cord Tumors: Current Research and Treatment*. Second Conference Spinal Cord Tumor Association, August 2006.
80. *Pediatric Intramedullary Spinal Cord Tumors*. Second Conference Spinal Cord Tumor Association, August 2006.
81. *Spinal Cord Tumors* (panel). Congress of Neurological Surgeons, October 2006.
82. *New Bipolar Technology*. Congress of Neurological Surgeons, Codman Symposium, October 2006.
83. *Antibiotic Impregnated Catheters: Are They Cost Effective?* Congress of Neurological Surgeons, Codman Symposium, October 2006.
84. *Diastematomyelia* (invited faculty). Asian Australasian Postgraduate Course in Pediatric Neurosurgery, November 2006.

85. *Case Discussions of Pediatric Orbital Lesions* (invited faculty). Asian Australasian Postgraduate Course in Pediatric Neurosurgery, November 2006.
86. *Solve a Case Session* (invited faculty). Asian Australasian Postgraduate Course in Pediatric Neurosurgery, November 2006.
87. *Hydrocephalus: The Neurosurgical Perspective for the Radiologist*. Neuroradiology Teaching Conference, Johns Hopkins University, November 2006.
88. *Innovations in Neurosurgery*. Section of Pediatric Neurological Surgery, Codman Symposium, November 2006.
89. *Pediatric Neurosurgery: Past, Present and Future*. 18<sup>th</sup> Annual PAN Philadelphia Neurosurgery Conference, January 2007.
90. *Pediatric Neurosurgery Forum* (panel). 18<sup>th</sup> Annual PAN Philadelphia Neurosurgery Conference, January 2007.
91. *Orthotropic Xenograft Models of Intramedullary Spinal Cord Tumors*. NIH Workshop on Spinal Cord Tumors, February 2007.
92. *Intramedullary Spinal Cord Tumors: What is the Optimal Treatment?* Barrow Neurological Institute. Division of Pediatric Neurosciences Grand Rounds, February 2007.
93. *Hydrocephalus: What is the Optimal Treatment in Children*. Neuro-Psychology Grand Rounds, Kennedy Krieger Institute, March 2007.
94. *Advances in Neurosurgery*. American Association of Neurological Surgery, Codman Symposium, April 2007.
95. *Pediatric Head Injury*. Care of the Pediatric Trauma Patient Program, Johns Hopkins University, April 2007.
96. *Spinal Neuroenteric Cysts* (invited faculty). European Postgraduate Course in Pediatric Neurosurgery, April 2007.
97. *Intramedullary Spinal Cord Tumors* (invited faculty). European Postgraduate Course in Pediatric Neurosurgery, April 2007.
98. *Solve a Case Session* (invited faculty). European Postgraduate Course in Pediatric Neurosurgery, April 2007.
99. *Shunts for Pediatric Hydrocephalus: Are Antibiotic Impregnated Catheters Better?* 35<sup>th</sup> Annual Meeting of the Japanese Society of Pediatric Neurosurgery, May 2007.
100. *Traumatic Brain Injury: Prognostic Indicators and Initial Management*. Tawam Hospital, United Arab Emirates Grand Rounds, June 2007.
101. *Intramedullary Spinal Cord Tumors: Optimal Management*. XIX Congreso Mexicano de Cirugia Neurologica, July 2007.
102. *Intramedullary Spinal Cord Tumors* (panel). Congress of Neurological Surgeons, September 2007.
103. *Intramedullary Spinal Cord Tumors*. Japanese-American Neurosurgical Friendship Symposium, October 2007.

104. *Hydrocephalus and Shunt Malfunctions*. Neuroradiology Teaching Conference, Johns Hopkins University, October 2007.
105. *Pediatric Posterior Fossa Tumors*. American Neurosurgery Update in the State of Kuwait, December 2007.
106. *Brainstem Tumors: Optimal Management*. American Neurosurgery Update in the State of Kuwait, December 2007.
107. *Hydrocephalus: The Ultimate Primer*. Department of Pediatrics, Greater Baltimore Medical Center, December 2007.
108. *Initial Management and Prognostic Indicators for Pediatric Head Trauma*. Topics in Trauma Care, Hagerstown Community College, March 2008.
109. *Management of Pediatric Head Injury*. Care of the Pediatric Trauma Patient Program, Johns Hopkins University, March 2008.
110. *Keyhole Supra-orbital Craniotomy*. Combined Approaches to the Skull Base, Baltimore, Maryland, May 2008.
111. *Pediatric Head Injury: Initial Management*. Care of the Pediatric Trauma Patient, Johns Hopkins University, May 2008.
112. *AANS Julius Goodman Oral Board Review Course (invited faculty)*. American Association of Neurological Surgery, May 2008.
113. *Antibiotic Impregnated Catheters: Are They Cost-Effective as Compared to Traditional Systems?* 59<sup>th</sup> Annual Meeting German Society of Neurosurgery (DGNC), Wurzburg, Germany, May 2008.
114. *Shunt Infections: What are the Benefits of Antibiotic-Impregnated Catheters*. First Ibero-American Forum, Madrid, Spain, June 2008.
115. *Shunt Infections- Round Table Panel*. First Ibero-American Forum, Madrid, Spain, June 2008.
116. *Spinal Cord Tumors: A Patient's Perspective*. Spinal Cord Tumor Association Meeting, Chicago, July 2008.
117. *Pediatric Head Injury Guidelines and Observations*. Pediatric Trauma Conference, Division of Pediatric Surgery, Johns Hopkins University, July 2008.
118. *Pathophysiology of Pediatric Brain Injury (Moderator)*. 26<sup>th</sup> Annual National Neurotrauma Symposium, Orlando, Florida, July 2008.
119. *Extramedullary Intradural Spinal Neoplasms*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
120. *Spinal Deformity after Spinal Surgery: Etiology, Incidence, Prevention and Management*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
121. *Cerebral Hemispheric Tumors (excluding Intraventricular and Thalamic Tumors) Management of Tumors in Language Area*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.

122. *Posterior Fossa Ependymoma: Case-based Presentation*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
123. *Brainstm Tumors: Current Classification and When to Operate*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
124. *Surgical Approaches to Pineal Tumors*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
125. *Brain Tumors and Neuronavigation*. XI Curso De Educacion Continua en Neurocirugia Pediatrica Flanc, Rancagua, Chile, August 2008.
126. *Spinal Cord Tumors: What is the Optimal Management*. XIX Congreso Mexicano de Cirugia Neurologica, Multidisciplinary Perspectives in Brain Tumor Management, Puerto Vallarta, Mexico, August 2008.
127. *Pediatric Tumors (moderator)*. 7<sup>th</sup> International Updates in Neuro-Oncology, Baltimore, Maryland, September 2008.
128. *Intramedullary Spinal Cord Tumors (panel)*. Congress of Neurological Surgeons, September 2008.
129. *Intramedullary Spinal Cord Tumor Surgery: Can We do it Without Intraoperative Neurophysiological Monitoring?* Neuromonitoring 2008, V&A Waterfront, Cape Town, South Africa, October 2008.
130. *Brain Tumors: Comprehensive and Practical Approach*. Neurological Society of Kenya, Mombassa, Kenya, October 2008.
131. *Central Nervous System Neuroendoscopy*. 2<sup>nd</sup> American-Kuwaiti Neurosurgery Meeting, November 2008.
132. *Intramedullary Spinal Cord Tumors*. 2<sup>nd</sup> American-Kuwaiti Neurosurgery Meeting, November 2008.
133. *Surgical Management of Spinal Tumors*. 1<sup>st</sup> Annual Temple NeuroOncology Seminar: Current Updates in Neuro-Oncology, January 2009.
134. *Head Shape Abnormalities: Craniosynostosis or Plagiocephaly*. Division of Pediatric Neurology Grand Rounds, February 2009.

*Invited Reviews, Editorials, Meeting Chairs*

1. Meeting Chair: *1<sup>st</sup> Annual Neurological Surgery Conference on the Internet*, January 2005.
2. Organizing Committee: *2<sup>nd</sup> Annual Neurological Surgery Conference on the Internet*, November 2006.
3. Scientific Advisory Board: *3<sup>rd</sup> Annual Neurological Surgery Conference on the Internet*, December 2007.

4. Scientific Advisory Board: *4<sup>th</sup> Annual Neurological Surgery Conference on the Internet*, December 2008.
5. Topic Editor: *Neuroendoscopy*, **Neurosurgical Focus**, December 2005.
6. Topic Editor: *Pediatric Vascular Disorders*, **Childs Nerv Syst**, in preparation.

#### *Lectureships and Visiting Professorships*

1. *Contact Laser in Neurosurgery*. John F Kennedy Hospital. Istanbul, Turkey, November 6-7, 2000.
2. *A Neurosurgical Contact Laser*. University of Verona. Department of Neurosurgery Grand Rounds, Verona, Italy, June 18-19, 2002.
3. *Hydrocephalus and Ventricular Shunt Complications*. duPont Hospital for Children, Department of Pediatrics Grand Rounds, August 6, 2002.
4. *Intramedullary Spinal Cord Tumors*. Temple University, Department of Neurosurgery Grand Rounds, September 7, 2002.
5. *Chiari Malformations*. Benjamin Bloom Hospital Nacional de Niños, San Salvador, El Salvador, November 10-13, 2002.
6. *Intramedullary Hemangioblastoma: Current Management Strategy*. Academisch Medisch Centrum (AMC), Amsterdam, June 15-16, 2003.
7. *Clinical Applications for the Contact Laser in Neurosurgery*. Dalian Municipal Central Hospital. Dalian, China, April 11-14, 2004.
8. *Craniosynostosis or Plagiocephaly*. Temple University, Department of Pediatrics Grand Rounds, February 15, 2005.
9. *Central Nervous System Tumors of Childhood*. Seminar Pädiatrische Neurochirurgie, Vienna, Austria, March 30-April 1, 2006.
10. *Intramedullary Spinal Cord Tumors: Past, Present and Future*. Seminar Pädiatrische Neurochirurgie, Vienna, Austria, March 30-April 1, 2006.
11. *Clinical Applications for the Contact Laser in Neurosurgery*. Sino-American Academy Conference for Surgical Lasers in Medicine. Beijing, China, May 23, 2006.
12. *The Surgical Contact Laser in Neurosurgery*. Nanjing General Hospital. Department of Neurosurgery. Nanjing, China, May 25, 2006.
13. *Intramedullary Spinal Cord Tumors: Neurosurgical Perspective*. Tawam Hospital. Al Ain, United Arab Emirates, November 10, 2006.
14. *Recent Advances in the Treatment of Brainstem Tumors*. National Children's Medical Center, Tokyo, Japan, May 30, 2007.
15. *Antibiotic Impregnated Catheters for Pediatric Hydrocephalus*. Wessex Neurological Centre, Southampton, UK, September 14, 2007.
16. *Intramedullary Spinal Cord Tumors: Treatment Options*. Wessex Neurological Centre, Southampton, UK, September 14, 2007.
17. *Spinal Cord Tumors: Surgery and Postoperative Management*. CHARITÉ – Universitätsmedizin zu Berlin, Berlin, Germany, June 5, 2008.

18. *Spinal Cord Tumors*. Hospital de Pediatria "Prof. Dr. Juan P. Garrahan", Buenos Aires, Argentina, December 23, 2008.
19. *Spinal Cord Tumors: Management and Surgical Adjuncts*. University of Maryland, Department of Neurosurgery Grand Rounds, January 22, 2009.
