Office: 7400 Beaufont Springs Drive, #401  
Richmond, VA 23225  
Phone: (804) 323-5560  
Fax: (804) 323-5562  
Cell: (804) 814-0609

### ACADEMIC DEGREES:

Psychology, B.A.

Western Michigan University; Kalamazoo, Michigan, 1974.

Psychology, M.A.

Western Michigan University; Kalamazoo, Michigan, 1977.

Psychology, M.S.

Florida State University; Tallahassee, Florida, 1978.

Psychology, Ph.D.

Florida State University; Tallahassee, Florida, 1979.

Post-Doctoral Fellow

Department of Pediatrics, The Johns Hopkins School of Medicine/Department of Behavioral Psychology, The John F. Kennedy Institute, 1979-1980.

### ACADEMIC APPOINTMENTS:

Instructor, Department of Psychiatry, The Johns Hopkins University School of Medicine, Baltimore, Maryland, 1980-1981.

Assistant Research Psychologist (Professor), Department of Psychiatry and Biobehavioral Sciences, UCLA School of Medicine, Los Angeles, California, 1981-1987.

Associate Research Psychologist (Professor), Department of Psychiatry and Biobehavioral Sciences, UCLA School of Medicine, Los Angeles, California, 1987-1992.

Research Professor, Department of Psychiatry and Behavioral Sciences, and Department of Physical Medicine and Rehabilitation, Temple University School of Medicine, Philadelphia, Pennsylvania, 1995-1997.

PROFESSIONAL APPOINTMENTS:

Private and Consulting Practice, 1981-present.

Partner, Lash and Associates Publishing/Training, Inc., Wake Forest, North Carolina, 2005 - present.

Residential Director, Poplar Springs Hospital, Petersburg, Virginia, 2003 – 2004.

Project Director, Learning Services Corporation, Boston, Massachusetts, 2003.

Director of Program Services, Cumberland Hospital for Children and Adolescents, New Kent, VA, 2002 – 2003.

Director of Psychology, Psychotherapy and Behavioral Systems, Cumberland Hospital for Children and Adolescents, New Kent, VA, 1999 - 2003.

Director, MossRehab Clubhouse, Drucker Brain Injury Center, MossRehab Hospital, Philadelphia, Pennsylvania, 1992-1997.

Director of Neurobehavioral Outcomes and Training, Drucker Brain Injury Center, MossRehab Hospital, Philadelphia, Pennsylvania, 1991-1997.

Consulting Psychologist, West Los Angeles VA Medical Center, Los Angeles, California, 1982-1991.

Consulting Psychologist, Casa Colina Hospital for Rehabilitative Medicine, Pomona, California, 1986 -1990.

Consulting Psychologist, Glendale Adventist Medical Center, Rehabilitation Institute, Glendale, California, 1985-1986.

Mary Switzer Research Fellow, National Institute of Handicapped Research, Washington, D.C., 1983-1984.

Project Director, Leon County Recycling Program, Leon County Court House, Tallahassee, Florida, 1977-1979.

Behavioral Program Specialist, Sunland Center at Tallahassee, Tallahassee, Florida, 1977-1978.

Lab Instructor, Department of Psychology, Florida State University, Tallahassee, Florida, 1976-1977.

Program Evaluator, Leon County Title I Remedial Reading Program, Leon County School District, Tallahassee, Florida, 1976-1977.

Grant Administrator, Department of Psychology, Florida State University, Tallahassee, Florida, and TALTRAN, City of Tallahassee, Florida, 1976.

Examiner, Department of Retardation, State of Florida, Tallahassee, Florida, 1975.

Therapist, Kalamazoo Multiple Handicapped Center, Kalamazoo, Michigan, 1974.

Workshop Instructor, Management of Behavior Change Workshop, School of Business, University of Michigan, Ann Arbor, Michigan, 1974.

Graduate Assistant and Director of the Student Centered Education Project, Department of Psychology, Western Michigan University, Kalamazoo, Michigan, 1974-1975.

Workshop Coordinator, Preventative Programming for Disruptive Behaviors, Camp Tamarack, Ortonville, Michigan, 1973.

Assistant Director in the Western Michigan University Residence Hall Program and Director of The Student Centered Education Project Experimental Living Program, Western Michigan University, Kalamazoo, Michigan, 1972-1975.

Undergraduate Assistant and Director of the Student Centered Education Project, Department of Psychology, Western Michigan University, Kalamazoo, Michigan, 1972-1974.

Instructor for a variety of undergraduate psychology, management and computer courses at Western Michigan University, Kalamazoo, Michigan, 1971-1975.

PROFESSIONAL SERVICE:

Conference Chair, North American Brain Injury Society, 2009 - present.

Board of Directors, North American Brain Injury Society, 2008 - present.

State Steering Committee on Positive Behavioral Supports, Virginia Autism Resource Center and Partnership with People With Disabilities, Richmond, Virginia, 2004 - 2006.

Board of Directors, American Academy for Certification of Brain Injury Specialists, 2003 – 2005.

Consultant, John Jane Brain Injury Clubhouse, Charlottesville, Virginia, 2002 – 2003.

Program Committee, Brain Injury Association, Washington, D.C., 2001 - 2002.

State Wide Workshop, Mayo Medical Center/Redwing Health Center, Redwing, Minnesota, 1997.

Consultant, Kessler Institute for Rehabilitation Services, Inc., West Orange, New Jersey, 1997.

Consultant, Ontario March of Dimes, Newmarket, Ontario, Canada, 1997.

Consultant, West Park Hospital, Acquired Brain Injury Behavioural Services, Toronto, Ontario, Canada, 1997 - 1998.

Consultant, Brain and Spinal Cord Injury Program, Health and Rehabilitative Services, State of Florida, 1996.

Consultant, Peel and Halton Community Access Services, Inc., Ontario, Canada, 1995.

Consultant, Acquired Brain Injury Continuum of Opportunity Task Force, Provincial Acquired Brain Injury Advisory Committee, Ministries of Health and Social Services, Ontario, Canada, 1994.

Institute on Rehabilitation Issues Study Group: Employment Outcomes for Persons With TBI, Research and Training Center on Vocational Rehabilitation, University of Wisconsin-Stout, Menomonie, Wisconsin, 1993.

Multi-State Workshops, National Rehabilitation Services, 1993.

Pennsylvania Office of Vocational Rehabilitation Traumatic Brain Injury Task Force, Harrisburg, Pennsylvania, 1992-1993.

Chair, Professional Communications Committee, National Head Injury Foundation, Framingham, Massachusetts, 1987-1992.

Board of Directors, National Head Injury Foundation, Framingham, Massachusetts, 1986-1991.

Board of Directors, Southern California Head Injury Foundation, Los Angeles, California, 1988-1991.

RCEP / Region IX TBI Task Force, State of California, 1991.

Advisory Board, Regional Resource Center for Brain Injury of Los Angeles County, Torrance, California, 1985-1989.

Traumatic Brain Injury Initiative Task Force, National Institute on Disability and Rehabilitation Research, 1987.

Board of Directors, The Betty Clooney Foundation for the Brain Injured, Los Angeles, California, 1986-1987.

Co-Chair, Professional Advisory Board, The Betty Clooney Foundation for the Brain Injured, Los Angeles, California, 1986-1987.

State of California Professional Task Force on the Development of Vocational Rehabilitation Services for the Traumatically Head Injured, Department of Vocational Rehabilitation, Sacramento, California, 1985-1986.

Co-Director, National Head Injury Foundation-U.S. Department of Education Cooperative Agreement on Services and Research for Head Injury, 1985.

Grant Advisory Committee, FIPSE Vocational Training Project, U.S. Department of Education - Coastline Community College, 1985-1987.

Grant Advisory Committee, Partners in Progress Vocational Development Program for Traumatic Head Injury Survivors, National Institute of Handicapped Research, Coastline Community College and the Betty Clooney Foundation, 1985-1986.

Program Committee, Division 25, American Psychological Association, 1985.

Professional Advisory Board, American Head Trauma Alliance, Los Angeles, California, 1984-1985.

Steering Committee Member, Professional Advisory Board, Southern California Head Injury Foundation, Los Angeles, California, 1983-1987.

Board Member, Human Rights Advocacy Committee, Francis X. Gallagher Center, Baltimore, 1980-1981.

Membership Committee, Association for Behavior Analysis, 1979-1980.

Regional Affiliate, Midwestern Association for Behavior Analysis, 1978.

District Representative, Southeastern Association for Behavior Therapy, 1976-1977.

Student Representative, Division 25 (American Psychological Association) for the Southeastern Psychological Association region, 1975-1977.

EDITORIAL APPOINTMENTS:

Special Issue Editor, "Behavior" Brain Injury Professional, December, 2008.

Special Issue Editor. "Positive Behavior Support" Journal of Head Trauma Rehabilitation, January – February, 2003. (With Timothy Feeney and Mark Ylvisaker).

Special Issue Editor. "Behavioral Technologies" Journal of Head Trauma Rehabilitation, February, 1996.

Editor, “Innovations” section of the Brain Injury Association Newsletter TBI Challenge!, 1991-1997.

Board of Editors, Journal of Head Trauma Rehabilitation, 1988-present.

Board of Editors, Journal of Applied Behavior Analysis, 1984-1987; 1989; 1992-1995.

Special Issue Editor, “Lifelong Living” Journal of Head Trauma Rehabilitation, March, 1990.

Guest Reviewer, Journal of Applied Behavior Analysis, Behavior Therapy, Hospital and Community Psychiatry, Psychiatric Services, Archives of Physical Medicine and Rehabilitation.

#### LICENSURE AND CERTIFICATION:

Maryland, # 1453, 1981-present.

California, #PSY 7873, 1983-present.

Pennsylvania, #PS-006508-L, 1993-present.

Virginia, #0810-002607, 1998-present.

North Carolina, #3198, 2006-present.

#### GRANTS, FELLOWSHIPS, AND SCHOLARSHIPS:

Orange County Regional Center, “The Alliance Clubhouse.” A \$139,000 grant to establish a Clubhouse program for people who experience cognitive disability in Orange County California, 1997 - 1998. (In conjunction with Cathy DeMello).

The Pew Charitable Trusts, “Affirmative Enterprise.” A \$170,000 grant to establish an economically viable bake shop in the community whose operations and revenues are used to help people who experience disability following brain injury and other impairments develop the skills required for independent community employment, 1997 - 1998.

The Gold Family Foundation, “Clubhouse Affirmative Enterprise.” A \$20,000 grant to establish a bake shop to help people who experience disability attain independent employment, 1997.

The Pew Charitable Trusts, “Clubhouse Transitional Employment.” A \$170,000 grant to establish a transitional employment program for persons who have experienced brain injury through the Clubhouse program, 1995 - 1996.

The JM Foundation, “TBI Clubhouse.” A \$25,000 grant to develop job preparation and employment activities for persons who have experienced traumatic brain injury, 1994 - 1995.

- U.S. Department of Education, Rehabilitation Services Administration, "Implementing Consumer Directed Recreation Services by Persons With Traumatic Brain Injury." A \$108,651 grant to develop and improve access to "normative" community leisure and recreational services for persons with severe disabilities, primarily traumatic brain injury, 1993 - 1996.
- The Caplan Foundation, "TBI Clubhouse." A \$5,000 matching funds grant to develop a functional community based "Clubhouse" for persons who have experienced traumatic brain injury, 1993.
- Alexis Rosenberg Foundation, "The Clubhouse." A \$10,000 grant to develop a functional community based "Clubhouse" for persons who have experienced traumatic brain injury, 1993.
- The Connelly Foundation, "TBI Clubhouse." A \$5,000 grant to develop a functional community based "Clubhouse" for persons who have experienced traumatic brain injury, 1993.
- The Bara Foundation, "TBI Clubhouse." A \$1,000 matching funds grant to develop a functional community based "Clubhouse" for persons who have experienced traumatic brain injury, 1993.
- The Pew Charitable Trusts, "A Community Based Program for Dependent Persons With Traumatic Brain Injury." A \$160,000 grant to develop a functional community based "Clubhouse" for persons who have experienced traumatic brain injury, 1992 - 1994.
- U.S. Department of Education, National Institute on Disability and Rehabilitation Research, "Comprehensive Head Injury Attainment and Outcome Scale." A \$50,000 grant to develop a hierarchical functional assessment instrument to track head injury outcomes, 1989 - 1991.
- U.S. Social Security Administration, "Validation of a Rehabilitation Readiness Inventory for Persons with Mental Impairments." A \$236,000 grant to develop an empirically based work readiness evaluation protocol for persons with psychiatric disabilities, 1987 - 1990.
- U.S. Social Security Administration, "Program Evaluation of Job Club Work Placement Programs for Persons with Psychiatric Disabilities." A \$530,000 project to evaluate the efficacy of behavioral work placement among the psychiatrically disabled. (R.P. Liberman, Principal Investigator of overall grant of which this was one project), 1985 - 1989.
- Robert Wood Johnson Foundation, "The Family as a Therapeutic Agent: Long Term Rehabilitation for Traumatic Head Injury Patients." A \$150,000 grant to develop training programs for the families of traumatic head injury survivors, 1985 - 1990.

State of California, "Day Program for Adults With Head Injury." A \$100,000 grant to develop a model day program for traumatic head injury survivors (in conjunction with the Betty Clooney Foundation for Brain Injury), 1987.

National Institute of Handicapped Research, Mary Switzer Research Fellowship. A \$26,500 national competitive fellowship awarded for research on outcomes among traumatic head injured patients and their families, 1983 - 1984.

National Institute of Handicapped Research. "The Brentwood Job Finding Club." A \$200,000 grant awarded through the Rehabilitation Research and Training Center for Mental Illness (UCLA) to develop a psychiatric work placement program, 1981 - 1985. (This was one project of an overall grant to R.P. Liberman, Principal Investigator).

U.S. Department of Labor, Youth Conservation and Community Involvement Program. A \$45,000 grant awarded through the Leon County Board of Commissioners, Leon County, Florida to establish a community-wide residential resource recovery program, 1977 - 1978.

Undergraduate and Graduate Assistantships, Department of Psychology, Western Michigan University, Kalamazoo, Michigan, 1973 - 1975.

Honors College, Western Michigan University, Kalamazoo, Michigan. Research Scholarship, 1972 - 1973.

#### AREAS OF INTEREST:

Brain Injury  
Psychiatric Impairment  
Developmental Disabilities  
Severe Behavior Dysfunction / Treatment Refractory Challenges  
Rehabilitation  
Behavioral Medicine / Neurology  
Vocational Rehabilitation  
Staff Training and Development  
Behavioral / Organizational Systems Analysis  
Applied Behavior Analysis / Behavior Modification  
Experimental Design and Methodology

#### PUBLICATIONS AND REPORTS:

##### Books, Modules, and Edited Journals

1. Jacobs, H.E. "Lifelong Living." Special Issue Editor, Journal of Head Trauma Rehabilitation, 5,1 (Spring, 1990).

2. Jacobs, H.E., and Collier, R. The Job Seeking Skills Dissemination Module. A training and dissemination module to teach clients with disabilities skills for obtaining competitive community employment. The module consists of a trainer's guide, client workbook, technical manual and video training tape. Author (1991).
3. Jacobs, H.E. Behavior Analysis Guidelines and Brain Injury Rehabilitation: People, Principles and Programs. Gaithersburg, Maryland: Aspen Publishing Company, (1993). (Single author book: 392 Pages)
4. Cash, A., Corthell, D., Jacobs, H., Perla, S. Smith, J., Sarvis, B., Thayer, T., Thomas, D., Tirado, R., Ulicy, G., VanDeventer, L., Williard, T. Employment Outcomes for Persons With Acquired Brain Injury. Menomonie, Wisconsin: University of Wisconsin-Stout, (1993).
5. Jacobs, H.E. "Behavioral Technologies." Special Issue Editor, Journal of Head Trauma Rehabilitation, 11,1, (1996).
6. Feeney, T., Jacobs, H.E., Ylvisaker, M. "Positive Support for Behavior." Special Issue Editors, Journal of Head Trauma Rehabilitation, 19, 1, (2003).
7. Jacobs, H.E. "Behavior!" Special Issue Editor, Brain Injury Professional, 5, 4, (2008).
8. Jacobs, H.E. Understanding Everybody's Behavior After Head Injury: Don't "Don't!"™. Wake Forest, North Carolina: Lash and Associates Publishing/Training, (2010).
9. Jacobs, H.E. Workbook for Understanding Everybody's Behavior After Head Injury: Don't "Don't!"™. Wake Forest, North Carolina: Lash and Associates Publishing/Training, (2010).

34. Behavioral Rehabilitation with Chronic Schizophrenics. Florida State University Psychology Colloquium Series, Tallahassee, Florida, 1983.
35. Management of Severe Behavior Problems Among Pediatric Patients. Sepulveda VA Medical Center, Sepulveda, California, 1983.
36. Rehabilitation Among the Chronically and Mentally Disabled: Issues in Medical and Community Skills Intervention. Association for Behavior Analysis, Milwaukee, 1983. (With Steve Boone and Peter Donahoe).
37. The Brentwood Job Club: The Psychiatrically Disabled Can Find Their Own Jobs. Workshop, California Alliance for the Mentally Ill, Los Angeles, 1983. (With Susan Amirian, Ronald Ponder, Keel Kreinbring, and Alan Simpson).
38. Work Restoration in the Treatment and Rehabilitation of Psychiatric Patients. Conference on Work as Treatment For Psychiatric Disorders, NIMH, Bethesda, Maryland, October, 1983. (With Robert P. Liberman).
39. School Intervention Can Improve Outcome for Adolescents With Epilepsy. American Epilepsy Society, Washington, D.C., 1983. (With E.P.G. Vining, C. Rabin, and John F. Freeman).
40. The Brentwood Job Club: Psychiatric Patients Can Find Their Own Jobs. Association for the Advancement of Behavior Therapy, Washington, D.C., 1983. (With Alan Simpson, Ronald Ponder, Keel Krienbring, Susan Amirian, Judith Mitchell, and David Baker).
41. Helping Psychiatric Patients Return to Work: The Ultimate Rehabilitation Indicator? Association for Behavior Analysis, Nashville, Tennessee, 1984. (With Robert P. Liberman).
42. One Year Later: Brentwood Job Club Outcome and Follow-up Data. Association for Behavior Analysis, Nashville, Tennessee, 1984. (With Judith Mitchell, R. Keel Kreinbring, Susan Kardashian, Ronald Ponder, and Alan Simpson).
43. A Functional Assessment of Long Term Needs Among Traumatic Head Injury Patients. Association for the Advancement of Behavior Therapy, Philadelphia, Pennsylvania, 1984.
44. The Family As A Therapeutic Agent. Models of Care and Rehabilitation in Head Injury: Second Annual Southwestern Symposium, Palm Springs, California, 1984.
45. Neuro-Behavioral Rehabilitation: Teaching an "Injured Brain "Old Tricks". Association for Behavior Analysis, Nashville, Tennessee, 1984.

46. Rehabilitation Following Traumatic Head Injury: A Behavioral Perspective. Florida Association For Behavior Analysis, Orlando, Florida, 1984.
47. Vocational Rehabilitation for Psychiatrically Disabled Persons. Florida Association for Behavior Analysis, Orlando, Florida, 1984.
48. Patient and Family Outcome: Los Angeles Head Injury Survey. Third Annual Southwest Head Injury Symposium, Costa Mesa, California, 1985.
49. A Functional Assessment of Long Term Sequela Following Traumatic Head Injury. Eighth Annual Santa Clara Valley Medical Center Traumatic Head Injury Conference, San Jose, California, 1985.
50. Realistic Outcomes Following Traumatic Head Injury. California Medical Association, San Diego, California, 1985. (With Frank Benson, Joel Rosen, and Robert Sbordone).
51. Traumatic Head Injury Rehabilitation. Rehabilitation Mainframe, 1985. Kent, Ohio, 1985.
52. Dependent Functioning Following Severe Traumatic Head Injury. National Conference on Independent Living, Kansas City, Kansas, 1985.
53. Skills Training for the Community Adaptation of Schizophrenics. International Symposium of Psychosocial Management of Schizophrenia, Berne, Switzerland, 1985. (With Robert P. Liberman, Steven Boone, David Foy, C. Peter Donahoe, Ian R.H. Falloon, Gayla Blackwell, and Charles Wallace).
54. Long Term Patient and Family Outcome. National Head Injury Foundation Conference on Community Re-entry, Boston, Massachusetts, 1985.
55. Results of the UCLA Head Injury Project. Glendale Adventist Medical Center, Glendale, California, 1985.
56. Behavior Management Strategies with Neurologically Impaired Patients. Long Beach Memorial Hospital, Long Beach, California, 1985.
57. The Vocational Rehabilitation Continuum for the Psychiatrically Disabled. Workshop on the Chronic Mental Patient, Metropolitan State Hospital, Los Angeles, California, 1985.
58. Patient and Family Outcome. Fourth Annual Southwest Regional Head Injury Symposium, Snowmass, Colorado, 1986.
59. Long Term Patient Sequela of Traumatic Head Injury. Daniel Freeman Hospital, Inglewood, California, 1986.
60. Family Management. Mediplex Health Services, Camden, New Jersey, 1986.
61. Patient and Family Outcomes from Traumatic Head Injury: Treatment Roles for Long-Term Sequela. Workshop, Seventh Annual Braintree Traumatic Head Injury Conference, Braintree, Massachusetts, 1986.
62. Behavior Analysis and Brain Injury Rehabilitation: Evaluation and Treatment Procedures. Seventh Annual Braintree Traumatic Head Injury Conference, Braintree Massachusetts, 1986.
63. Communication and Functioning in Families with Head Injured Offspring. Fourth Annual Southwest Regional Head Injury Symposium, Snowmass, Colorado, 1986. (With Carol Wixom, Rosalie Kane, and Angus Strachan).
64. Vocational Outcomes Among Persons with Psychiatric Disabilities. Association for the Advancement of Behavior Therapy, Chicago, Illinois, 1986. (With Alan Simpson, Robert P. Liberman, Don Wissusick, Ronald Ponder, Claudia Dorrington, and Linda Lee).

65. Evaluation of Strengths and Disability Through Functional Assessment of Chronic Mentally Ill Persons. Course workshop, 38<sup>th</sup> Institute on Hospital and Community Psychiatry, San Diego, California, 1986. (With Barry Willer, Joan Asarnow, John R. Guastaferrro, Robert P. Liberman, and Charles J. Wallace).
66. Behavior Analysis Intervention and Assessment Procedures in Traumatic Head Injury Rehabilitation. Workshop, Fifth Annual National Symposium, National Head Injury Foundation, Chicago, Illinois, 1986.
67. Assessment and Intervention in Family Training. Workshop, Fifth Annual National Symposium, National Head Injury Foundation, Chicago, Illinois, 1986. (With Carol Wixom and Craig Muir).
68. Communication and Functioning in Families with Head Injured Offspring. Fifth Annual National Symposium, National Head Injury Foundation, Chicago, Illinois, 1986. (With Carol Wixom, Rosalie Kane, and Angus Strachan).
69. From Coma to Community: An Overview of Traumatic Head Injury Rehabilitation. Symposium, Association for the Advancement of Behavior Therapy, Chicago, Illinois, 1986. (With Sheldon Berrol and David Ellis).
70. The Prediction of Vocational Competence Among Persons with Psychiatric Disabilities. Association for the Advancement of Behavior Therapy, Chicago, Illinois, 1986. (With H. Keith Massel, Robert. P. Liberman, Roberto Zarate, Carol Giannini, Jim Mintz, Alan Simpson and Mark Mosk).
71. The Brentwood Job Finding Club: Vocational Competence Among Persons With Psychiatric Disabilities. Association for the Advancement of Behavior Therapy, Chicago, Illinois, 1986. (With Claudia Dorrington, Linda Lee, R. P. Liberman, Alan Simpson, Don Wissusick, Ronald Ponder and Maggie Fitzpatrick).
72. Family Training. Sixth Annual National Symposium, National Head Injury Foundation, San Diego, California, 1987. (With Craig A. Muir and Marie Martel).
73. Neurobehavioral Rehabilitation. Sixth Annual National Symposium, National Head Injury Foundation, San Diego, California, 1987. (With Roger L. Wood).
74. Comprehensive Social Skills Training. Sixth Annual National Symposium, National Head Injury Foundation, San Diego, California, 1987.
75. Behavior Management. Second Annual National Head Injury Foundation Board of Directors Meeting, Washington, D.C., 1987.
76. Statewide Systems and Family Systems of Care: Their Impact on the Head Injury System. Fifth Annual New York Head Injury Statewide Conference, Albany, New York, 1987. (Keynote Address: (With Larry Cervelli).
77. A Community Re-adaptation: Fact or Fiction Accessing Community Services in Support of Head Injured Adults. Fifth Annual New York Head Injury Statewide Conference, Albany, New York, 1987. (With Larry Cervelli and William Haffey).
78. Betty Clooney Foundation: Five Year Plan. Sixth Annual Symposium of the Southern California Head Injury Foundation, 1987. With Douglas Harrington, Margo Baumgartner and Lawrence Baumgartner).
79. Long-term Outcomes and Challenges Following Traumatic Head Injury. Keynte Address, Fifth Annual Kansas Head Injury Association Statewide Conference, Topeka, Kansas, 1987.
80. Daily Problem Solving and Behavior Management Following Head Injury. Fifth Annual Kansas Head Injury Association Statewide Conference, Topeka, Kansas, 1987.

81. Looking Ahead to the Challenge: An Open Forum for Questions and Answers. Fifth Annual Kansas Head Injury Association Statewide Conference, Topeka, Kansas, 1987. (With Bill Blackerby, Jeanne Fryer, Andrea Ramsay and Janet Williams).
82. Adult Head Injury. Public Issues - Private Sorrows Conference, University of Southern California and Los Angeles Resource Center, Los Angeles, California, 1987.
83. Adult Community Integration. National Invitational Conference on Traumatic Brain Injury Research, U.S. Department of Education: Office of Special Education and Rehabilitation Services - National Institute on Disability and Rehabilitation Research, Tyson's Corner, Virginia, 1987.
84. Research Applications in Rehabilitation. Insurance Rehabilitation Study Group Invited Conference, Newport Beach, California, 1987. (With Ronald Ruff).
85. Family Training Following Head Injury. Sixth Annual Southwest Traumatic Head Injury Symposium, Lake Tahoe, Nevada, 1988.
86. Brain Injury and Aggression. Second Symposium on Violence and Aggression, Saskatoon, Canada, 1988.
87. Assessment and Treatment of the Aggressive Brain Injured Patient. Second Symposium on Violence and Aggression, Saskatoon, Canada, 1988. (With Frank Benson and Lillian Thorpe).
88. Family Outcomes. Northern California Head Injury Foundation Symposium. Concord, California, 1988.
89. Rights and Responsibilities Following Traumatic Brain Injury. Colorado Head Injury Foundation Symposium, Colorado Springs, Colorado, 1988.
90. Yes, Behavior Analysis Can Help, But Do You Know How To Harness It? Colorado Head Injury Foundation Symposium, Colorado Springs, Colorado, 1988.
91. From Family Systems to Family Outcomes. Cognitive Rehabilitation: Community Integration Through Scientifically Based Practice (2<sup>nd</sup> Annual Conference), Richmond, Virginia, 1988. (With Craig Muir).
92. Behavior Disorders in Rehabilitation. Grand Rounds, Department of Psychiatry, Medical College of Virginia, Richmond, Virginia, 1988.
93. Practical and Applied Research Strategies in Brain Injury Rehabilitation. Seventh Annual National Symposium, National Head Injury Foundation, Atlanta, Georgia, 1988.
94. Research in Brain Injury Rehabilitation. Eighth Annual National Symposium, National Head Injury Foundation, Chicago, Illinois, 1989.
95. Foundations for Functional Outcomes. Seventh Annual Southwest Head Injury Symposium, Park City, Utah, 1989.
96. Needs of the Head Injured, II - In the Community. Trauma: Head Injuries and Rehabilitation, County of Riverside Department of Mental Health, Riverside, California, 1989.
97. Functional Outcomes for Patients and Families. Twelfth Annual Head Trauma Conference, From Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1989.
98. Practical Strategies for Families: Long Term Advocacy Issues. Twelfth Annual Head Trauma Conference, From Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1989.

99. Identifying Post-Traumatic Behavior Problems: Data From Psychosocial Follow-up Studies. Invitational Seminar on the Management of Behavioral Sequelae Of Traumatic Brain Injury, Rehabilitation Research and Training Center on Community Integration of Persons with Traumatic Brain Injury and National Head Injury Foundation, Inc. Arlington, Virginia, 1989.
100. What Does Research Tell Us? Northern California Head Injury Foundation Symposium. Concord, California, 1989.
101. Rights and Responsibilities. Southern California Head Injury Foundation Symposium. Northridge, California, 1989.
102. Behavior Analysis and Brain Injury. Invited Pre-Symposium Workshop, Eighth Annual National Symposium, National Head Injury Foundation, Chicago, Illinois, 1989.
103. Who's Brain Injury is it Anyway? Invited Keynote Address, Ninth Annual Connecticut Traumatic Brain Injury Association Conference, Trumbull, Connecticut, 1990.
104. TBI: Developing Affordable, Community-Based Alternatives. Invited Workshop, National Association of Rehabilitation Facilities, Chicago, Illinois, 1990. (With Stephen Vander Schaaf and Al Condeluci).
105. Who's Behavior Is Disordered? An Issue of Perspective. Invited Address, First Annual Neuro-Rehabilitation Symposium, Barrow Neurological Institute, Phoenix, Arizona, 1990.
106. Projecting Programming Needs and Costs for Life-Long Living. Invited Pre-Symposium Workshop, Ninth Annual National Symposium, National Head Injury Foundation, New Orleans, Louisiana, 1990. (With Jan Roughan).
107. What is Lifelong Living? Invited Address, Ninth Annual National Symposium, National Head Injury Foundation, New Orleans, Louisiana, 1990.
108. Long Term Issues in TBI. Invited Presentation, Fourteenth Annual Conference on Head Trauma Rehabilitation, Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1991.
109. Job Seeking Skills for Return to Competitive Community Employment. Invited Presentation, Fourteenth Annual Conference Head Trauma Rehabilitation, Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1991.
110. Prognosis Issues in Vocational Planning and Services. Invited Panel, Fourth Annual RCEP Region IX Regional Training Conference: Addressing Vocational Issues Following Traumatic Brain Injury. Sacramento, California, 1991. (With Sheldon Berrol and Ronald Ruff).
111. Compensatory Strategies: How to Build on Client's Strengths: The Job Finding Club. Invited Address, Fourth Annual RCEP Region IX Regional Training Conference: Addressing Vocational Issues Following Traumatic Brain Injury. Sacramento, California, 1991.
112. Lifelong Care: Who Takes Charge? Invited Panel, Tenth Annual Symposium of the Southern California Head Injury Foundation, Long Beach, California, 1991. (With Jeanne Lobb and Cathy DeMello).
113. What is Lifelong Living? Invited Workshop, Twelfth Annual Braintree Hospital Traumatic Head Injury Conference, Braintree, Massachusetts, 1991.
114. Getting a Job: A Program for Return to Competitive Community Employment. Invited Lecture, Twelfth Annual Braintree Hospital Traumatic Head Injury Conference, Braintree, Massachusetts, 1991.

115. Behavioral and Team Systems Interventions in the Management of the Challenging Client. Invited Presentation, ACRM / APM&R Annual Congress, Washington, D.C., 1991. (With Nathan Zasler, Mark Ylvisaker, Ellen Lehr, and Jeffrey Kreutzer).
116. TBI and the Law: Behavioral Issues that Come to the Attention of the Court. Invited Presentation, Fifteenth Annual Conference Head Trauma Rehabilitation, Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1992. (With Richard Alexander).
117. Getting a Job. Invited Presentation, Fifteenth Annual Conference Head Trauma Rehabilitation, Coma to Community, Santa Clara Valley Medical Center, San Jose, California, 1992.
118. Does Work Work? Invited Presentation, Head Injury Family Network, West Chester, Pennsylvania, 1992.
119. How Efficacious is Rehabilitation with a Neurobehavioral Basis? Keynote Address, Ontario Head Injury Association, St. Catharines, Ontario, Canada, 1992.
120. Introduction to Job Seeking Skills Module. Invited Workshop, Ontario Head Injury Association, St. Catharines, Ontario, Canada, 1992.
121. Pediatric Neurorehabilitation. Invited Workshop, Children's Hospital Medical Center, Cincinnati, Ohio, 1992.
122. Behavior Analysis and Programming in Rehabilitation. Invited Address, Community Rehabilitation Services of Annapolis, 1992.
123. Neurobehavioral Outcomes Following Traumatic Brain Injury. Invited Address, Centre de Readaptation, 2<sup>nd</sup> International Congress on Objective Assessment in Rehabilitation Medicine, Montreal, Quebec, Canada, 1992.
124. How Limitations of Treatment and Families Affect Long Term Outcome. Invited Presentation, Disabled Housing Trust International Conference, Community Re-Integration After Traumatic Brain Injury, London, England, 1992.
125. Managing Cognitive and Behavioral Problems Following Head Injury. Private Workshop, National Rehabilitation Services, Sarasota, Florida, 1993. (With Barbara A. Wilson and McKay Moore Sohlberg).
126. Vocational Rehabilitation and Acquired Brain Injury: Strategies for Attaining Successful Employment Outcomes. Private Workshop, National Rehabilitation Services, Orlando, Florida, 1993. (With Michael McCue).
127. Life After Rehabilitation. Invited Address, Delaware Head Injury Foundation Annual Conference, Wilmington, Delaware, 1993.
128. Ritualistic Rehabilitation! Invited Workshop, Fourteenth Annual Braintree Hospital Traumatic Head Injury Conference, Boston, Massachusetts, 1993.
129. Behavior and Cognition—Cognition and Behavior; Chicken and Egg—Egg and Chicken; Who's on First Anyways! Invited Address, Seventh Annual Cognitive Rehabilitation: Community Integration After Brain Injury Conference, Medical College of Virginia, Washington, D.C., 1993.
130. Teaching Job Seeking Skills Through Role Play and Consumer Oriented Assessment Techniques. Invited Workshop, Seventh Annual Cognitive Rehabilitation: Community Integration After Brain Injury Conference, Medical College of Virginia, Washington, D.C., 1993.
131. Community Outcomes: The Clubhouse Concept. Invited Address, Keystone State Head Injury Foundation, White Haven, Pennsylvania, 1993.

132. Behavioral Challenges and Family Systems. Invited Sub-Plenary Presentation, National Head Injury Foundation Annual Symposium, Orlando, Florida, 1993. (With Carolyn Roccico).
133. The Job Finding Club and Return to Competitive Community Employment. Symposium, National Head Injury Foundation Annual Symposium, Orlando, Florida, 1993.
134. Neurobehavioral Programming Following Brain Injury: Behavioral and Neuro-Medical Interventions. Private Workshop, National Rehabilitation Services, Chicago, Illinois, 1993. (With Gregory O'Shanick).
135. Return to Community, From M.D. to ME!: TBI Clubhouse Programming. Invited Workshop, New York State Department of Health, Syracuse, New York, 1994. (With Cathy DeMello).
136. Etiology and Management of Aggressive Behavior in Persons With Traumatic Brain Injury. Invited Address, Tampa General Hospital Conference, Traumatic Brain Injury: Meeting the Clinical Challenges, Tampa, Florida, 1994.
137. Behavior Dysfunction and Brain Injury: Relations, Not Causes. Invited Address, New Jersey Head Injury Foundation, New Jersey, 1994.
138. Introduction to Neurobehavioral Rehabilitation. Invited Address, Chedoke McMaster Hospital, Hamilton, Ontario, Canada, 1994.
139. Teology and Brain Injury. Association for Behavior Analysis, Atlanta, Georgia, 1994.
140. Ecological Perspectives of Behavior Following Brain Injury. Keynote Address, Texas Head Injury Association, Fort Worth, Texas, 1994.
141. That Dog Won't Hunt! Removing Theoretical Bigotry From Brain Injury Rehabilitation. Invited Address, Texas Head Injury Association, Fort Worth, Texas, 1994.
142. Job Seeking Skills and Competitive Community Employment. Invited Workshop, Texas Head Injury Association, Fort Worth, Texas, 1994.
143. Myths About Behavior Disorders Following Brain Injury. Invited Address, Improving Vocational Outcomes for Survivors of Traumatic Brain Injury, State of Alabama, Department of Education, Birmingham, Alabama, 1994.
144. Teaching Job Skills to Find Competitive Community Employment. Invited Workshop, Improving Vocational Outcomes for Survivors of Traumatic Brain Injury, State of Alabama, Department of Education, Birmingham, Alabama, 1994.
145. Ecological Perspective of Neurobehavioral Dysfunction. Invited Address, Advances in Developmental Disabilities Conference: Traumatic Brain Injury, Children's Seashore House, Philadelphia, Pennsylvania, 1994.
146. Who Needs Behavior Disorders? Invited Address, California Head Injury Foundation, Los Angeles, California, 1994.
147. Life After Head Injury and Other Oxymorons. Invited Workshop, California Head Injury Foundation, Los Angeles, California, 1994.
148. The Myth of Behavioral Disorders Following Brain Injury. Invited Address, A Journey Toward Independence, Northern Virginia Head Injury Foundation, Alexandria, Virginia, 1994.
149. Neurobehavioral and Neuro-Medical Interventions Following Brain Injury. Invited Plenary Session, Thirteenth Annual National Symposium: National Head Injury Foundation, Chicago, Illinois, 1994. (With Gregory O'Shanick).

150. Lifelong Living After TBI. Invited Address, CAMHADD International Conference on Understanding, Treatment and Prevention of Brain Injury due to Neurotrauma, Bangalore, India, 1994.
151. Disordered Behavior Disorders. Invited Address, Challenges, Solutions and New Directions: Georgia Division of Rehabilitation Services Annual TBI Symposium. Atlanta, Georgia, 1995.
152. Behavior Dysfunction and Brain Injury. Private Three Day Province Wide Workshop, Sponsored by Peel and Halton Community Access Services, Inc., Ontario, Canada, 1995.
153. The Clubhouse Model. Invited Address, Chedoke McMaster Hospital, Hamilton, Ontario, Canada, 1995.
154. The Clubhouse Model for Social Integration. Invited Address, WCBI 1995 - First World Congress on Brain Injury, Danish Brain Injury Association, Copenhagen, Denmark, 1995.
155. Overcoming Barriers to Integrating Applied Behavior Analysis in Rehabilitation for People with Brain Injury. Association for Behavior Analysis, 21<sup>st</sup> Annual Convention, Washington, .C., 1995. (With John R. Davis, Martin J. McMorrow, Ali Uzunoz, Michael D. Weslowski, and Joanne C. Davis-Zulik).
156. The Clubhouse Consumer-Community Model. Ninth Annual Pacific Coast Brain Injury Conference, Vancouver, BC, Canada, 1995. (With Cathy DeMello).
157. A Perspective on Quality of Life for the Survivor with TBI, The “Nuts and Bolts” of Establishing a Clubhouse Model Program. Keynote Address, Washington State Head Injury Foundation, Thirteenth Annual Conference, Seattle, Washington, 1995.
158. Quality of Life in the Community: A Perspective on the Clubhouse Model. Keynote Address, Washington State Head Injury Foundation, Thirteenth Annual Conference, Seattle, Washington, 1995.
159. Consumer Directed Programming. Brain Injury Association, Fourteenth Annual National Symposium, San Diego, California, 1995. (With Cathy DeMello).
160. Mind Your Behavior: Behavior Analysis and Brain Injury Rehabilitation. Pro-Seminar, Department of Human Development, University of Kansas, Lawrence, Kansas, 1996.
161. Relationships! Keynote Address, West Virginia Brain Injury Association Annual Conference, Charleston, West Virginia, 1996. (With Andrea Bogden).
162. Promoting Personal Sufficiency Through the Clubhouse Model. Invited Address, West Virginia Brain Injury Association Annual Conference, Charleston, West Virginia, 1996.
163. Rehabilitation is Not Enough: Life with Brain Injury. Keynote Address, Practical Issues in Brain Injury Rehabilitation: An Educational Conference for Professionals, Brain Injury Association of Florida, Ft. Lauderdale, Florida, 1996.
164. The Clubhouse as a Model for Psychosocial and Community Based Support. Invited Address, Practical Issues in Brain Injury Rehabilitation: An Educational Conference for Professionals, Brain Injury Association of Florida, Ft. Lauderdale, Florida, 1996.
165. Dysfunctional Behavior Related to Brain Injury. Practical Issues in Brain Injury Rehabilitation: An Educational Conference for Professionals, Brain Injury Association of Florida, Ft. Lauderdale, Florida, 1996.

166. Getting Individuals With Brain Injuries Released From State Hospitals. Conference Round Table, National Association of Protection and Advocacy Systems Conference, Washington, D.C., 1996. (With Jane Hudson, David Imre and Andrew Penn).
167. Reducing Handicap Following Brain Injury Through the Clubhouse. Keynote Address, Interventions. Mayo Medical Center, Rochester Minnesota, 1996.
168. Teaching Staff How to Behave in Brain Injury Rehabilitation. Invited Address, Community Reintegration After Brain Injury: Issues and Interventions. Mayo Medical Center, Rochester Minnesota, 1996.
169. Behavioral Dysfunction and Brain Injury: Principles and Assessment. Invited Workshop, Neurorehabilitation Conference: Traumatic Brain Injury and Stroke. Braintree Hospital Rehabilitation Network, Boston, Massachusetts, 1996.
170. Behavioral Dysfunction and Brain Injury: Procedures and Efficacy. Invited Workshop, Neurorehabilitation Conference: Traumatic Brain Injury and Stroke. Braintree Hospital Rehabilitation Network, Boston, Massachusetts, 1996.
171. The Clubhouse Concept and Long Term Community Support. 15<sup>th</sup> Annual National Symposium. The Brain Injury Association, Dallas, Texas, 1996. (With Cathy DeMello and Clubhouse Members).
172. TBI Clubhouse Coordinating Meeting. 15<sup>th</sup> Annual National Symposium. The Brain Injury Association, Dallas, Texas, 1996. (With Cathy DeMello and Clubhouse members).
173. Iatrogenic Outcomes in Rehabilitation Programming. Professional Rehabilitation Association Conference, Long Island, NY, 1996.
174. The Voluntary Involuntary Client. Invited Workshop, Ontario March of Dimes, Newmarket, Ontario, Canada, 1997.
175. Recreational and Vocational Opportunities at the Clubhouse. 7<sup>th</sup> Conference, Head Trauma Family Network, West Chester, PA, 1997. (With Clubhouse members).
176. What is Community? Keynote Address, The Brain Injury Association of Wisconsin, Ninth Annual Wisconsin Conference on Brain Injury. Stevens Point, Wisconsin, 1997.
177. The Clubhouse in the Community. Invited Presentation, The Brain Injury Association of Wisconsin, Ninth Annual Wisconsin Conference on Brain Injury. Stevens Point, Wisconsin, 1997.
178. Behavioral Disturbances. Invited Course, JFK Johnson Rehabilitation Institute, Ninth Annual Conference on Rebuilding Shattered Lives: Neurorehabilitation of Acquired Brain Injury, Edison, New Jersey, 1997.
179. Caution, Rehabilitation Can be Iatrogenic! Invited Presentation, National Association of Rehabilitation Professionals in the Private Sector (NARPPS) Ninth Annual Conference. Atlantic City, New Jersey, 1997.
180. And Then There's That Behavior (Again). Keynote Address, Brain Injury Association of Colorado Annual Conference, Vail, Colorado, 1997.
181. The Clubhouse: Consumer Directed and Community Based Supports. Invited Workshop Brain Injury Association of Colorado Annual Conference, Vail, Colorado, 1997.
182. Behavioral Management and TBI: Pathways to Progress. Keynote Address, Brain Injury Association of Utah Family and Professional Conference, Park City, Utah, 1997.
183. More on Behavioral Management. Invited Session, Brain Injury Association of Utah Family and Professional Conference, Park City, Utah, 1997.

184. The Clubhouse Model: Consumer Directed Community Supports. Keynote Address, Brain Injury Association of Illinois, Lisle, Illinois, 1997.
185. The Clubhouse Model. Sixteenth Annual Brain Injury Association National Symposium, Philadelphia, Pennsylvania, 1997 (With Joan Crawford, Lisa Goldman, Rita Yohalen, and Karen Thayer).
186. Get a Life! Invited Address, Iowa Brain Injury Association Annual Conference, Des Moines, Iowa, 1998.
187. Don't Mind My Behavior. Invited Address, Iowa Brain Injury Association Annual Conference, Des Moines, Iowa, 1998.
188. Consumer Supported Programming. Invited Address, Maryland Brain Injury Association Annual Conference, Baltimore, Maryland, 1998.
189. Modifying Behavior Dysfunction of Persons with Brain Injury. Invited Address, Rehabilitation Institute of Chicago, Multidisciplinary Brain Injury Course: Behavioral Issues in Brain Injury, Chicago, Illinois, 1998.
190. Iatrogenic Treatment. John Young Lecture, Craig Rehabilitation Hospital, Denver, Colorado, 1998.
191. Basics of Clubhouse Development. The Brain Injury Association: 17<sup>th</sup> Annual Symposium, New Orleans, Louisiana, 1998.
192. Applied Behavior Analysis in Neurorehabilitation: Beyond Frequency Counts. The Brain Injury Association: 17<sup>th</sup> Annual Symposium, New Orleans, Louisiana, 1998. (With Michael Mozzoni).
193. Environmental Correlates of Behavior Dysfunction. Invited Address, 19<sup>th</sup> Annual Neurorehabilitation Conference on Traumatic Brain Injury and Stroke, HEALTHSOUTH Braintree Rehabilitation Hospital, Cambridge, Massachusetts, 1998.
194. Barriers to Meeting Needs After a Traumatic Brain Injury. Keynote Address, Restoring Life's Quality: Outcomes of Brain Injury Conference. Brain Injury Association of Washington, University of Washington School of Medicine, Seattle, Washington, 1999.
195. The Clubhouse: A Model Program for Community Integration and Work Preparedness. Invited Workshop, Restoring Life's Quality: Outcomes of Brain Injury Conference. Brain Injury Association of Washington, University of Washington School of Medicine, Seattle, Washington, 1999.
196. Social and Behavioral Iatrogenesis in Rehabilitation Service Delivery. Invited Address, Vejlefjord International Conference: Brain Injury Rehabilitation—Visions for the 21<sup>st</sup> Century. Vejlefjord Centre for Development and Rehabilitation, Vejlefjord, Denmark, 2000.
197. The Clubhouse as a Model of Consumer Directed Programming. Invited Workshop, Vejlefjord International Conference: Brain Injury Rehabilitation—Visions for the 21<sup>st</sup> Century. Vejlefjord Centre for Development and Rehabilitation, Vejlefjord, Denmark, 2000.
198. Teaching Job Seeking Skills to People with Learning Challenges. Invited Workshop, Department of Rehabilitative Services: Summer Institute 2000. Woodrow Wilson Rehabilitation Center, Fishersville, Virginia, 2000.
199. Who's Behavior is Disordered? Invited Address, Inova Rehabilitation Center. Inova Mount Vernon Hospital, Alexandria, Virginia, 2000.

200. Consumer Self-Determination Shouldn't be About Disability. Invited Workshop, West Virginia Traumatic Brain and Spinal Cord Injury Conference, Life Skills for a New Millennium: The Experts Are In, Charleston, West Virginia, 2000.
201. Treatment Planning and Long Term Outcome Following Severe Brain Dysfunction: A Case Study. Invited Address, West Virginia Traumatic Brain and Spinal Cord Injury Conference, Life Skills for a New Millennium: The Experts Are In. Charleston, West Virginia, 2000.
202. Challenging Behaviors. Invited Address, Virginia Department of Rehabilitative Services Life Skills Trainer Program. Virginia Department of Rehabilitative Services, Richmond, Virginia, 2000.
203. The Clubhouse Model of Service Delivery. Invited Plenary, Pacific Coast Brain Injury Conference and the Canadian Brain Injury Coalition—The National Conference on Brain Injury 2000, Vancouver, British Columbia, Canada, 2000.
204. Behaviour Dysfunction in Treatment Programming and How it Affects People Who Experience Disability Following Brain Injury. Invited Address, Pacific Coast Brain Injury Conference and the Canadian Brain Injury Coalition—The National Conference on Brain Injury 2000, Vancouver, British Columbia, Canada, 2000.
205. Behavior Management of Aggressive Sequela Following Reyes' Syndrome. Grand Rounds, Carillon Medical Center, Roanoke, Virginia, 2001.
206. Who's Behavior is Disordered? Keynote Address, Carillon Health System Social Work Conference, Roanoke, Virginia, 2001.
207. More on Behavior Dysfunction. Invited Workshop, Carillon Health System Social Work Conference, Roanoke, Virginia, 2001.
208. Behavioral Challenges Following Brain Injury: People and Programs. Invited Address, Woodrow Wilson Rehabilitation Center Conference Series, Fishersville, Virginia, 2001.
209. Behavior Management and Behavior Analysis. Invited Session, The Brain Injury Association's Building Blocks of Change 20<sup>th</sup> Annual Symposium, Atlanta, Georgia, 2001. (With Steve Bruce and Lisa Selznick).
210. Practical Behavioral Programming: Ages, Stages and Outrages! Invited Address, The Brain Injury Association's Building Blocks of Change 20<sup>th</sup> Annual Symposium, Atlanta, Georgia, 2001.
211. Community Life Following Brain Injury. Invited Address, North Carolina Brain Injury Association: Brainstorm 2002, Greensboro, North Carolina, 2002.
212. Assessing and Treating Neurobehavioral Problems: Balancing the Right to Effective Treatment with Ethical Considerations. The Brain Injury Association of America, Widening the Circle: Constituencies, Collaborators and Communities, 21<sup>st</sup> Annual Conference, Minneapolis, Minnesota, 2002. (With Terry Page, Ronald Savage, Gary Pace, Erin Dunn and Daniel Keating).
213. Effective Neurorehabilitation Programming. The Brain Injury Association of America, Widening the Circle: Constituencies, Collaborators and Communities, 21<sup>st</sup> Annual Conference, Minneapolis, Minnesota, 2002. (With Ronald Savage).
214. ABI Clubhouses: 15 Years Later. The Brain Injury Association of America, Widening the Circle: Constituencies, Collaborators and Communities, 21<sup>st</sup> Annual Conference, Minneapolis, Minnesota, 2002. (With Cynthia C. Johnson and Deborah Delorme).

215. Positive Supports to Behavior. Invited Address, The Brain Injury Association of Virginia, Annual Conference, Richmond, Virginia, 2002.
216. Positive Community Supports: The Clubhouse Model. Invited Address, Brain Injury Association of North Carolina and Brain Injury Alliance of South Carolina, Brainstorm 2003: Moving Forward, Myrtle Beach, South Carolina, 2003.
217. Positive Supports to Behavior: It's NEVER Just the Brain Injury. Invited Address, Brain Injury Association of North Carolina and Brain Injury Alliance of South Carolina, Brainstorm 2003: Moving Forward, Myrtle Beach, South Carolina, 2003.
218. Functional Humanistic Approaches to Living. Invited Address, Bethesda Rehabilitation Hospital: Fourth Annual Managing Challenging Situations in Brain Injury Care, Brooklyn Park, Minnesota, 2003.
219. Positive Community Supports: Clubhouses and Other Models of Productive and Gainful Activity. Invited Workshop, Bethesda Rehabilitation Hospital: Fourth Annual Managing Challenging Situations in Brain Injury Care, Brooklyn Park, MN, 2003.
220. Positive Behavioral Supports. Brain Injury Association of Virginia, Richmond, Virginia, 2003.
221. Supporting Positive Behavior: Yes, You Can Teach Old Behavior Management Strategies New Approaches. Keynote Address, Brain Injury Association of Colorado 21<sup>st</sup> Annual Conference, Vail, Colorado, 2003.
222. Advances in Behavioral Treatment of Brain Injury. Invited Address, 9<sup>th</sup> Annual California Brain Injury Medical and Legal Conference, Napa, California, 2003.
223. Behavioral Management Following Acquired Brain Injury: Theory, Principles and Applications. Invited Full Day Workshop, MeritCare Pediatric Neuroscience Conference, Fargo, North Dakota, 2004.
224. Behavior May be Dysfunction, but Never Disordered. Invited Address, 3<sup>rd</sup> Annual Brain Injury Conference, Overcoming Communication and Behavioral Barriers in Acquired Brain Injury, Fargo, North Dakota, 2004.
225. Stop Treating the Brain Injured! Invited Address, Brain Injury Association of Virginia, Richmond, Virginia, 2004.
226. Stop Treating the Brain Injured! Positive Supports to Behavior. Invited Address, Sarnia-Lambton Brain Injury Association Conference: Behavioral Bias and Brain Injury, Sarnia, Ontario, Canada, 2005.
227. Behavior May Be Dysfunctional, But Never Disordered: Proactive Programming and Positive Behavioral Supports. Invited Workshop, Dale Services, London, Ontario, Canada, 2005.
228. Person-Centered Services. Statewide Teleconference, University of Idaho, Boise, Idaho, 2005.
229. Person-Centered Services: Positive Supports to Behavior. Keynote Address, 2005 Williamsburg Conference: Rehabilitation of the Adult and Child with Brain Injury – Practical Solutions to Real World Problems, Williamsburg, Virginia, 2005.
230. Comprehensive Factors Involving Traumatic Brain Injury: From Onset Through Community Supports. Intensive two-day workshop for program auditors in the State of Kansas, Wichita, Kansas, 2005.
231. What is Brain Injury: Mechanisms and Effects. Part of a six-site training program throughout Virginia with the Virginia Commonwealth University School of Social Work VISTA Program, 2005.

232. Positive Supports to Behavior. Part of a six-site training program throughout Virginia with the Virginia Commonwealth University School of Social Work VISTA Program, 2005.
233. When Behavior Programs Cause Behavior Problems: Legal and Clinical Ramifications. 2005 North American Brain Injury Society Medical-Legal Conference, Jacksonville, Florida, 2005.
234. Behavior May Be Dysfunctional, But Never Disordered. Collaborations Conference, Virginia Beach, Virginia, 2005.
235. Stop Treating the Brain Injured! Invited Address, Brain Injury Association of Virginia, Richmond, Virginia, 2005.
236. Managing Severe Behavior Problems: Challenges and Resolutions Through Positive Community Support. Invited Address and Workshop, Programme Regional D'Expertise
237. Multidisciplinaire En Trouble Grave du Comportement (PREM-TGC), Fourth Annual Traumatic Brain Injury Conference, Montreal. Quebec, Canada, 2006.
238. Why Behavior Programs Can Cause Behavior Problems. Invited Address and Workshop, Programme Regional D'Expertise Multidisciplinaire En Trouble Grave du Comportement (PREM-TGC), Fourth Annual Traumatic Brain Injury Conference, Montreal. Quebec, Canada, 2006.
239. Case Studies in Brain Injury. Invited Address and Workshop, Programme Regional D'Expertise Multidisciplinaire En Trouble Grave du Comportement (PREM-TGC), Fourth Annual Traumatic Brain Injury Conference, Montreal. Quebec, Canada, 2006.
240. So, What About Behavior? Invited Full Day Presentation, Transcending Brain Injury, Fifth Annual Brain Injury Conference of Southwest Virginia, Brain Injury Association of Virginia, Roanoke, VA, 2006.
241. How Behavior Programs Can Cause Behavior Problems. Invited Address, 2006 Williamsburg Conference: Rehabilitation of the Adult and Child with Brain Injury – Practical Solutions to Real World Problems, Williamsburg, Virginia, 2006.
242. Reducing Restraint and Seclusion of Individuals with Traumatic Brain Injury. Invited Webcast, U.S. Department of Health and Human Resources, Maternal and Child Health Division, Rockville, MD, 2006. (With Marty McMorrow, M.S. and Jane Hudson, J.D.)  
<http://www.mchcom.com/archivedWebcastDetailNewInterface.asp?aeid=385>
243. Behavior and Relationships. Invited Address, 2006 North American Brain Injury Society, Miami, FL, 2006.
244. TBI and Behavior in Community Settings. Invited Workshop, 2006 State of Connecticut Brain Injury Conference: Addressing the Complexities of Brain Injury: Implications of Identification, Intervention, and Outcomes Across the Lifespan, Rocky Hill, Connecticut, 2006.
245. Demystifying Behavior After Brain Injury. Invited Address, Brain Injury Association of Virginia, Richmond, Virginia, 2006.
246. Functional Behavior Dysfunction After Brain Injury. Invited Workshop, Ohio Speech Language Hearing Association Annual Conference, Columbus, Ohio, 2007.
247. Ecological Assessment of Behavior and Brain Injury. Invited Workshop, Competent Community Practices: Okanagan Conference on Brain Injury, Naramata, B.C., Canada, 2007.

248. Keeping it Real – Person Centered Support and Challenging Behaviors. Invited Address, Competent Community Practices: Okanagan Conference on Brain Injury, Naramata, B.C., Canada, 2007.
249. Creating Opportunity from Challenge. Invited Address, 2007 Williamsburg Conference: Rehabilitation of the Adult and Child with Brain Injury – Practical Solutions to Real World Problems, Williamsburg, Virginia, 2007.
250. Positive Supports to Behavior. Invited Full Day Workshop, 2007 Saskatchewan Brain Injury Association Annual Conference, Saskatoon, Saskatchewan, Canada.
251. Behavioral Aspects of TBI. Invited Address, 2007 North American Brain Injury Society, San Antonio, Texas 2007.
252. Pediatric TBI. Invited Workshop, 2007 North American Brain Injury Society, San Antonio, Texas 2007 (with Marilyn Lash, William Singer, and Roberta DiPompei).
253. Seeking the 95% Solution: Where are the Services and Supports for Most People Following Brain Injury? Organizer and Moderator for Invited Panel Discussion, 2007 North American Brain Injury Society, San Antonio, Texas, 2007 (with Michael Davis, William Ditto and Janet Williams).
254. Behavior Management for Children and Adults with TBI. Invited Address, Brain Injury Association of North Carolina, Chapel Hill, North Carolina, 2007
255. Don't "Don't"™: Supporting Everybody's Behavioral Competence! Invited Address, Brain Injury Association of Virginia, Richmond, Virginia, 2008.
256. Challenging Behaviors Following Traumatic Brain Injury. Invited Address, Hattie Larlham Research Institute, Akron, Ohio, 2008.
257. Reciprocal Relationships and Behavior. Invited Address, 2008 Williamsburg Conference: Rehabilitation of the Adult and Child with Brain Injury – Practical Solutions to Real World Problems, Williamsburg, Virginia, 2008.
258. Managing Behavioral and Emotional Difficulties in the Home. Invited Address, The National TBI Caregivers Conference, Williamsburg, Virginia, 2008.
259. Intensive Services: From Emergency Department to Community. Invited Address, 19<sup>th</sup> Annual State of the States in Head Injury Conference: Revolutionizing Systems of Care: Leading the Way, Williamsburg, Virginia, 2008. (With Tim Feeney).
260. DON'T "DON'T"™: Social Reciprocity, Behavior and ABI. Invited Workshop, 19<sup>th</sup> Annual State of the States in Head Injury Conference: Revolutionizing Systems of Care: Leading the Way, Williamsburg, Virginia, 2008.
261. Positive Behavioral Supports: What's Right with This Picture? Invited Address, Brain Injury Association of Ohio 27<sup>th</sup> Annual Conference, Homeland of Hope: Connecting Mind, Body, Soul, Columbus, Ohio, 2008.
262. TBI Clubhouse Movement – Roundtable Discussion. Invited Workshop, Brain Injury Association of Ohio 27<sup>th</sup> Annual Conference, Homeland of Hope: Connecting Mind, Body, Soul, Columbus, Ohio, 2008.
263. Interactional Dynamics, Behavior, and ABI. Invited Workshop, Sixth Annual Conference on Brain Injury, North American Brain Injury Society, New Orleans, Louisiana, 2008. (With Martin McMorro).
264. Behavioral Aspects of TBI. Invited Address, 21<sup>st</sup> Annual Conference on Legal Issues in Brain Injury, North American Brain Injury Society, New Orleans, Louisiana, 2008.

265. Understanding Contributions to Behaviour Dysfunction Involving Brain Injury. Invited Address, 2<sup>nd</sup> Annual Conference, A New Sense of Self: Trust-Ed, Nottingham, England, 2008.
266. Managing Behavioral Challenges Following Brain Injury. Invited full day Workshop, Brain Injury Association of Oregon, Portland, Oregon, 2009.
267. Managing Challenging Behaviors. Keynote Address, Brain Injury Association of Oregon: Living With Brain Injury: Identifying the Problems – Finding Solutions, Portland, Oregon, 2009.
268. The ABI Clubhouse. Invited Presentation, Brain Injury Association of Oregon: Living With Brain Injury: Identifying the Problems – Finding Solutions, Portland, Oregon, 2009.
269. Behavioral Challenges Inside and Outside the Classroom. Invited Workshop, Brain Injury Association of Colorado: The Journey Continues – TBI Educational Strategies: A 21<sup>st</sup> Century Interactive Seminar, Denver, Colorado, 2009. (With Roberta DePompei).
270. Behavioral Effects and Functional Correlates Following Brain Injury. Invited Address, 22<sup>nd</sup> Annual Conference on Legal Issues in Brain Injury, North American Brain Injury Society, Austin, Texas, 2009.
271. Don't "Don't!"<sup>TM</sup>: Challenging Behavioral Challenges. Keynote Address, 4<sup>th</sup> Annual Nebraska Brain Injury Conference, Brain Injury Association of Nebraska, Grand Island Nebraska, 2010.
272. Clubhouse Model. Invited Address, 4<sup>th</sup> Annual Nebraska Brain Injury Conference, Brain Injury Association of Nebraska, Grand Island Nebraska, 2010.
273. Don't "Don't!"<sup>TM</sup>: Understanding Almost Everybody's Behavior After Brain Injury. Keynote Address, 25<sup>th</sup> Annual Western Michigan Brain Injury Network Symposium, Grand Rapids, Michigan, 2010.
274. The ABI Clubhouse. Keynote Address, 25<sup>th</sup> Annual Western Michigan Brain Injury Network Symposium, Grand Rapids, Michigan, 2010.
275. ABI Clubhouses. Invited Address, The Alaska Brain Injury Conference, Alaska Brain Injury Network and North American Brain Injury Society, Anchorage, Alaska, 2010.
276. Don't "Don't!"<sup>TM</sup>: Creating Oportunity From Challenge Invited Address, The Alaska Brain Injury Conference, Alaska Brain Injury Network and North American Brain Injury Society, Anchorage, Alaska, 2010.
277. Behavioral Challenges Discussion. Invited Address, The Alaska Brain Injury Conference, Alaska Brain Injury Network and North American Brain Injury Society, Anchorage, Alaska, 2010. (With Randy Moss).
278. Neurobehavioral Challenges and Proactive Supports. Invited Address, Brain Injury Partnerships 2010: NASHIA and NABIS in the Twin Cities, National Association of State Head Injury Administrators and North American Brain Injury Society, Minneapolis, Minnesota, 2010.
279. Behavioral Effects. Invited Address, 23<sup>rd</sup> Annual Conference on Legal Issues in Brain Injury, North American Brain Injury Society, Minneapolis, Minnesota, 2010.
