

SCHOOL OF MEDICINE
CURRICULUM VITAE

JEFFREY EDWIN MAX, MBBCh

Date of Preparation: July 14, 2008

I. Personal Data

- A. Citizenship Status: United States Citizen
- B. U.S. Social Security No.: available on request

II. Education

| | | |
|---------|-------|---|
| 1977-82 | MBBCh | University of the Witwatersrand Johannesburg, South Africa |
|---------|-------|---|

III. Post-Graduate Education

| | | |
|------------|------------|---|
| 1/83-12/83 | Internship | Hillbrow Hospital (Rotating Internship) Hillbrow, Johannesburg, South Africa |
|------------|------------|---|

| | | |
|-----------|-------------------|---|
| 1/84-4/84 | Senior Internship | Hillbrow Hospital (Hematology/Oncology) Hillbrow, Johannesburg, South Africa |
|-----------|-------------------|---|

| | | |
|----------------|---------------------------------|--|
| 7/1/84-6/30/87 | Residency (Adult Psychiatry) | Brown University/Butler Hospital 345 Blackstone Boulevard Providence, RI 02906 |
|----------------|---------------------------------|--|

| | | |
|-----------|----------------|--|
| 1986-1987 | Chief Resident | Brown University, Department of Psychiatry and Human Behavior |
|-----------|----------------|--|

| | | |
|----------------|--|--|
| 7/1/87-6/30/89 | Fellowship (Child and Adolescent Psychiatry) | Brown University/Bradley Hospital/ Rhode Island Hospital 1011 Veterans Memorial Parkway East Providence, RI 02915 |
|----------------|--|--|

| | | |
|-----------|--------------|--|
| 1988-1989 | Chief Fellow | Brown University, Department of Psychiatry and Human Behavior, Division of Child and Adolescent Psychiatry |
|-----------|--------------|--|

IV. Academic Appointments

| | | |
|-----------|----------------------|---|
| 1986-1987 | Assistant Instructor | Brown University Department of Psychiatry and Human Behavior |
|-----------|----------------------|---|

| | | |
|-----------|---------------------------------|---|
| 1990-1991 | Clinical Assistant Professor | The University of Iowa College of Medicine, Department of Psychiatry |
|-----------|---------------------------------|---|

| | | |
|------------|---------------------|---|
| 1991- 1998 | Assistant Professor | The University of Iowa College of Medicine, Department of Psychiatry |
|------------|---------------------|---|

| | | |
|-------------|---------------------|---|
| 1998 - 1998 | Associate Professor | The University of Iowa College of Medicine, Department of Psychiatry |
|-------------|---------------------|---|

| | | |
|----------------|-------------------------------------|-------------------------------------|
| 1998 – 2004 | Associate Professor In-Residence | University of California, San Diego |
| 2004 – present | Professor In-Residence | University of California, San Diego |

V. Other Employment Pertaining to Current Professional Appointments

| | | |
|------------------------------|--|---|
| 1998-present | Director, Neuropsychiatric Research | Children’s Hospital and Health Center, San Diego |
| September 1999 – present | Faculty member | Group in Clinical Psychology, Joint Doctoral Program in Psychology at University of California, San Diego & San Diego State University |
| November 2005 - June 2007 | Psychiatrist-In-Chief | San Diego Center for Children |
| August 2005 - present | Clinical Director | Bridges Intensive Outpatient Program of Vista Hill |

VI. Certification and Licensure

A. Certification:

American Board of Psychiatry and Neurology - Psychiatry, March 1990, No. 32478

American Board of Psychiatry and Neurology - Child and Adolescent Psychiatry, Sept.
1990, No. 2617

B. Licensure:

| <u>State</u> | <u>Date</u> | <u>Perm/Temp.</u> | <u>Number</u> | <u>Renewal</u> |
|---------------|--------------|-------------------|---------------|----------------|
| California | 1998-present | Permanent | C050120 | 2/28/10 |
| Massachusetts | 1984-present | Permanent | 53308 | Inactive |
| Iowa | 1990-present | Permanent | 27757 | Inactive |
| E.C.F.M.G. | 1/26/83 | Permanent | 360-866-8 | |

C. Other:

None

VII. Professional Affiliations

| | |
|-----------|--|
| 1984-1997 | American Psychiatric Association |
| 1986-1987 | Resident's representative to Rhode Island District Branch of the |

American Psychiatric Association Executive Council

| | |
|--------------|---|
| 1985-1994 | American Medical Association |
| 1987-present | American Academy of Child and Adolescent Psychiatry |
| 1994-1998 | International Association for the Study of Traumatic Brain Injury |
| 2004-present | American Neuropsychiatric Association |

VIII. Areas of Research Interest

1. Traumatic Brain Injury in Children and Adolescents
2. Childhood Stroke
3. Child and Adolescent Neuropsychiatry

IX. Current Projects

| | |
|--------------|---|
| 1991-present | Prospective and retrospective studies of Traumatic Brain Injury |
| 1993-present | Magnetic Resonance Imaging study in childhood and adolescent Traumatic Brain Injury |
| 1996-1998 | Chart review and questionnaire study of patients with childhood stroke |
| 1997-present | Neuropsychiatric Study of Childhood Stroke |

X. Teaching Activities

Classroom, Seminar, or Teaching Laboratory:

| | | | |
|---------------|---|-----------------------------|---------------------------------------|
| 1985-86 | Introduction to Clinical Psychiatry Bio Med 369 | 8 students 24 hours | 50% responsible Small group leader |
| 1991 | Clinical Psychiatry Lectures in 4th year Medical Student elective, University of Osteopathic Medicine and Health Sciences | 1 student 2 hours | 100% responsible |
| 1991- 1998 | Third year medical student lecture, University of Iowa | 20 students 8 hours/year | 100% responsible |
| 1993 | Problems in Psychiatry - Speech Pathology doctoral student | 1 student 12 hours | 100% responsible |
| 1993- 1995 | Coordinator of Treatment Seminar | 6 students | |
| 1993, 1995 | Teach Psychodynamic Psychotherapy Seminar | 6 students 21 hours | 50% responsible |
| 1999- | Child and Adolescent Neuropsychiatry course | 10 students | 100 % responsible |

| | | | |
|---------|--|-------------|----------------|
| present | (attended by child psychiatry residents, psychology interns, pediatric neurology resident) | 25 hours | |
| 1999 | Child Development PGY-II course responsible | 10 students | 100% 1 hour |

Clinical Teaching:

| | | | |
|--------------|--------------------------------------|----------|--|
| 1984-89 | Brown University | 48 weeks | 5 hours per week |
| 1989-91 | V.A. Medical Center Knoxville, IA | 48 weeks | 5 hours per week (Plus 15 hours per week in 4th year Medical Student elective for University of Osteopathic Medicine and Health Sciences) |
| 1991-1998 | University of Iowa | 48 weeks | 10 hours per week |
| 1998-present | University of California | 48 weeks | 1-3 hours per week |

XI. Teaching Activities Other Than Classroom or Clinical

Conferences, Grand Rounds, Journal Clubs, Etc.:

| | |
|---------|---|
| 1985 | Chairman's Rounds, "Case Presentation - Factitious Disorder" |
| 1986 | Chairman's Rounds, "Case Presentation - Treatment-Resistant Depression" |
| 1986-87 | Coordinator, Journal Club, Brown University Department of Psychiatry and Human Behavior |
| 1992 | Grand Rounds, "Case Presentation - Adolescent Gun Shot Suicide," The University of Iowa, Department of Psychiatry |
| 1993 | Grand Rounds, "Case Presentation - Organic Mania versus Organic Hyperactivity," The University of Iowa, Department of Psychiatry |
| 1994 | Research Rounds, "Traumatic Brain Injury in Children and Adolescents," The University of Iowa, Department of Psychiatry |
| 1995 | Research Rounds, "Traumatic Brain Injury in Children and Adolescents, Prospective Study," The University of Iowa, Department of Psychiatry |
| 1996 | Presentation, "Traumatic Brain Injury in Children and Adolescents, Prospective Study," Child and Family Unit, Red Cross War Memorial Children's Hospital, Rondebosch (The University of Cape Town), South Africa, 3/13/96 |
| 1996 | Grand Rounds, "Traumatic Brain Injury - When the Pediatric ICU Alarms Fade." |
| 1997 | Research Rounds. "Psychiatric disorders after traumatic brain injury in children." (12/15/97). |
| 1998 | Grand Rounds, Department of Pediatrics, University of Iowa. "Psychiatric aspects of traumatic brain injury." (5/22/98). |

- 1998 Presentation, "Outcome of Traumatic Brain Injury in Children and Adolescents." Trauma Research Committee, Children's Hospital and Health Center, San Diego (10/16/98)
- 1999 Presentation, "Secondary Attention Deficit Hyperactivity Disorder." Child Development Clinic, University of California, Irvine (1/23/99)
- 1999 Presentation, "Head Injury in Youth." West Coast Conference, San Diego (2/20/99)
- 1999 Presentation, "Can Traumatic Brain Injury Produce AD/HD?" CHADD Annual Conference, Washington, D.C. (10/8/99 and 10/9/99)
- 2000 Presentation, "Traumatic Brain Injury in Children and Adolescents, A Psychiatric Follow-up. 1st Annual Neurotrauma Conference of the University of California. Quail Lodge, California. 8/1/00 – 8/3/00
- 2001 Grand Rounds, Department of Psychiatry, University of California, San Diego and Children's Hospital and Health Center, San Diego. "Attention Deficit Hyperactivity Disorder after Stroke in Children and Adolescents." (10/6/00)
- 2001 Grand Rounds, Department of Pediatrics, Scripps Mercy Hospital, San Diego. "Psychiatric aspects of childhood stroke." (5/24/01)
- 2001 Max, JE. Psychiatric and Behavioral Disorders after Serious Head Injury in Developmental Age. 4th World Congress on Brain Injury. Turin, Italy, May 2001.
- 2002 Invited Presentation, "Psychiatric Aspects of Traumatic Brain Injury in Children and Adolescents". Brain Injury Association of New Hampshire, Concord, NH. (5/15/02)
- 2002 Invited Presentation, "Psychiatric Aspects of Traumatic Brain Injury in Children and Adolescents". International Conference on Post-Trauma Rehabilitation, Quebec City, Canada. (10/17/02)
- 2003 Invited Presentation, "Psychiatric Aspects of Traumatic Brain Injury in Children and Adolescents". West Coast Neuropsychological Conference, San Diego, CA. (3/22/03)
- 2004 Colorado State University brain injury conference, Vail, CO. "Psychiatric Aspects of Traumatic Brain Injury in Children and Adolescents." 9/29/04
- 2004 Barrows Neurological Institute, Phoenix, AZ. "Psychiatric Aspects of Traumatic Brain Injury in Children and Adolescents" 10/7/04
- 2004 American Academy of Physical Medicine and Rehabilitation Annual Meeting, Phoenix, AZ. "Pediatric TBI: Neurobehavioral and Cognitive Sequelae." 10/8/04

XII. Other Professional Activities (Boards, Editorships, etc.)

- 1986-87 Resident's representative to Rhode Island District Branch of the American Psychiatric Association Executive Council
- 1997-present Journal of the American Academy of Child and Adolescent Psychiatry manuscript reviewer
- 1997-present Psychiatry Research, ad hoc manuscript reviewer

| | |
|--------------|---|
| 1999-present | Journal of Neuropsychiatry and Clinical Neurosciences, manuscript reviewer. |
| 1999-present | Journal of Neurology, Neurosurgery, and Psychiatry, manuscript reviewer. |
| 2000-present | Child Neuropsychology, manuscript reviewer. |
| 2000-present | Journal of the International Neuropsychological Society, manuscript reviewer. |
| 2000-present | PPP Healthcare Medical Trust Limited, London, England, grant reviewer. |
| 2001-present | National Institutes of Health, NICHD: Ad hoc reviewer. |
| 2002-present | American Journal of Psychiatry, manuscript reviewer. |
| 2003-present | Archives of General Psychiatry, manuscript reviewer. |
| 2003-present | Journal of Affective Disorders, manuscript reviewer. |
| 2005-present | Israel Science Foundation, Tel Aviv, Israel, grant reviewer. |
| 2005-present | Australian Government National Health and Medical Research Council, Canberra, Australia, grant reviewer |

XIII. Clinical Activities

A. Inpatient:

On-call responsibilities to UCSD, Child and Adolescent Psychiatry Service.

B. Outpatient:

Outpatient Neuropsychiatry for Children and Adolescents at Bridges Service Center of Vista Hill
 2005-present
 Bridges Intensive Outpatient Program of Vista Hill 2005-present;
 Consultation for foster care agencies [(Walden Family Services 1999-present); Casey Family
 Program 1999-2006]
 Children's Outpatient Psychiatry at Rady Children's Hospital, San Diego 1998-2006;
 Vista Hill Learning Assistance Center 2005-2006
 Therapeutic Services Inc., 2005-2006
 Clark Adolescent Program (residential) 2006-2007.

C. Other:

None

XIV. Collegiate, University, University Hospitals, and National Committees

| | |
|---------------------|--|
| 1985-87 | Policy Committee, Department of Psychiatry and Human Behavior, Brown University |
| 1985-87 and 1988-89 | Residency Selection Committee, Department of Psychiatry and Human Behavior, Brown University |
| 1989-91 | Research and Development Committee, V.A. Medical Center, |

Knoxville, IA

- 1993-1998 University of Iowa Departmental Liaison for Continuing Medical Education
- 1998-present University of California, San Diego, Department of Psychiatry Executive Committee
- 2003-present Technical Standards Advisory Committee (reporting to UCSD Health Sciences Committee on Educational Policy)

XV. Honors and Awards

- 1982 Community Pediatrics Prize Nomination
- 1990 Teaching Award Plaque from Spring 1990 class at Mercy School of Nursing
- 2007 Annual Teaching Award: Child and Adolescent Psychiatry Training Program

XVI. Financial Resources (Grants and Contracts)

A. *Federal:*

“Secondary Attention Deficit Hyperactivity Disorder,” Principal Investigator for K-08 Career Development Award. **Funded 12/10/99 through 11/30/04; No cost extension 11/30/05; \$838,620.00** (Prospective study of children with traumatic brain injury) **NIMH**

Psychiatric consultant on grant R01 NS21889 “Neurobehavioral Outcome of Head Injury in Children” (P.I. Harvey Levin, Ph.D.). I am taking a leadership role in publications related to psychiatric disorders. Funded 8/1/98-7/31/09.

“Hypertonic Saline for increased ICP after head injury”. Coinvestigator. (P.I. Lawrence Marshall, M.D.). Funded by NIH. 5 R21 HD41240-02. 9/21/01-6/30/03; no cost extension granted to 6/30/04.

B. *State:*

“Secondary Attention Deficit Hyperactivity Disorder,” Principal Investigator. Funded 6/1/01 through 12/31/03; \$101,601. State of California through the University of Neurotrauma Research Program.

C. *College of Medicine:*

"Traumatic Brain Injury in Children and Adolescents, Retrospective Study" \$5,000 (Funded 12/92)

D. *Other:*

Merck, Sharp and Dohme 1989-91 \$99,000

Children's Miracle Network Telethon Research Fund, "Traumatic Brain Injury in Children and Adolescents, Prospective Study" \$6,672 (Funded 6/92)

Department of Psychiatry Start-Up Grant, "Traumatic Brain Injury in Children and Adolescents, Retrospective Study" \$14,000 (Funded 10/92)

| | |
|--|-------------------------------|
| Children's Miracle Network Telethon Research Fund, "A Clinicopathological Study of Psychiatric Sequelae of Traumatic Brain Injury Using Magnetic Resonance Imaging" | \$7,500 (Funded 9/93) |
| Department of Psychiatry Research Fund "Traumatic Brain Injury in Children and Adolescents, Prospective Study" | \$13,333 (Funded 10/93) |
| National Alliance for Research in Schizophrenia and Depression (NARSAD) "A Psychiatric Study of Childhood Traumatic Brain Injury" | \$60,000 (Funded 7/94) |
| Department of Psychiatry Research Fund "Traumatic Brain Injury in Children and Adolescents, Prospective Study" | \$13,333 (Funded 10/94) |
| Department of Psychiatry Research Fund "Traumatic Brain Injury in Children and Adolescents, Prospective Study" | \$14,830 (Funded 10/95) |
| Department of Psychiatry Research Fund "A Psychiatric Study of Childhood Stroke" | \$15,000 (Funded 10/96) |
| National Alliance for Research in Schizophrenia and Depression (NARSAD) "A Neuropsychiatric Study of Childhood Stroke" | \$60,000 (Funded 7/97 - 6/99) |
| Children's Miracle Network "A Neuropsychiatric Study of Childhood Stroke" | \$ 7,500 (Funded 4/97) |
| Senate Grant, University of California, San Diego "Secondary Attention Deficit Hyperactivity Disorder" | \$ 7,000 (Funded 5/99) |
| Senate Grant, University of California, San Diego "A Neuropsychiatric Study of Childhood Stroke" | \$ 10,000 (approved 12/01) |

XVII. Physical Facilities

- A. *Office*: First floor Children's Plaza, 225 sq. ft.
- B. *Laboratory*: First floor Children's Plaza 300 sq. ft.
- C. *Other*: None

XVIII. Personnel Currently Supervised

7 residents; 1 research assistant.

XIX. Masters' and Ph.D. Theses Directed and Postdoctoral Fellows Supervised

One Speech Pathology and Audiology postdoctoral student - Problems in Psychiatry (Spring, 1993)

One Speech Pathology and Audiology doctoral student dissertation committee member (1996)

One Speech Pathology and Audiology masters student dissertation committee member (1996)

One Child and Adolescent Psychiatry Research Fellow (1998-2001)

One Post-doctoral Fellow – Psychology (1999-2002)

One Post-doctoral Fellow – Psychology (2002-2003)

One Psychology masters student dissertation committee (2002-2004)

XX. Bibliography
