

CURRICULUM VITA

1. NAME AND PERSONAL DATA

Shari Wade Ph.D.

PHONE/FAX: 513-636-3370

E-MAIL shari.wade@cchmc.org

2. EDUCATION

- 1989 Postdoctoral Fellowship
Pediatric Psychology
Rainbow Babies and Children's Hospital
Cleveland, OH
- 1988 Ph.D., Clinical Psychology
University of Pittsburgh
Pittsburgh, PA
- 1987 Predoctoral Fellowship
Clinical Psychology
Yale University, Department of Psychiatry
New Haven, CT
- 1985 M.S., Clinical Psychology
University of Pittsburgh
Pittsburgh, PA
- 1981 B.A., Psychology
Cornell University
Ithaca, NY

3. ACADEMIC APPOINTMENTS:

- 2005 - Professor, Department of Pediatrics, Cincinnati Children's Hospital
Medical Center, Cincinnati, OH
- 2005 - Director of Research, Division of Physical Medicine And
Rehabilitation, Cincinnati Children's Hospital Medical Center, Cincinnati,
OH
- 2000 - 2005 Adjunct Associate Professor, Department of Pediatrics, Cincinnati
Children's Hospital Medical Center, Cincinnati, OH.

- 1998 - 2000 Adjunct Assistant Professor, Department of Pediatrics, Children's Hospital Medical Center, Cincinnati, OH.
- 1996 - 1997 Visiting Assistant Professor, Department of Educational Psychology, Miami University, Oxford OH.
- 1995 - Adjunct Assistant Professor, Department of Psychology, Miami University, Oxford OH.
- 1994 - Adjunct Assistant Professor of Pediatrics, Department of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, OH.
- 1991 - 1993 Assistant Professor of Pediatrics, Department of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, OH.
- 1989 - 1992 Co-Director, Medical-Behavioral Center, Rainbow Babies & Childrens Hospital, Cleveland OH.
- 1989 - 1991 Senior Instructor of Psychology, Department of Pediatrics, Case Western Reserve University School of Medicine, Cleveland OH.

4. AWARDS AND HONORS

- 2010 Faculty Achievement Award for Research, Cincinnati Children's Hospital Medical Center
- 2008 Awarded the Beatrice Wright and Tamara Dembo Lecture in Rehabilitation Psychology
- 1984 Clinical Psychology Comprehensive Examination (Passed with Commendations)
- 1982 - 1984 NIMH Predoctoral Fellowship
- 1981 Phi Beta Kappa
- 1981 B.A. with distinction in all subjects
- 1977 - 1981 Richard King Mellon National Merit Scholarship

5. MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

- 1994 - present Center for Human Development, Learning, and Teaching Advisory Board
- 1991 - present American Psychological Association
- 1989 - present Society for Pediatric Psychology

6. SERVICE

1. Committee Activity

Cincinnati Children's Hospital Medical Center Neurosciences Planning Committee 1/05 – 3/05.

Sarah Jane Brain Foundation Advisory Board 10/08- present

Cincinnati Children's Hospital Medical Center Injury Center Steering Committee 1/09 – present.

IOM Workshop on Mild Traumatic Brain Injury 10/2010

NINDS Common Data Elements Outcomes Workgroup 10/10 – 6/11

Pediatric Progesterone Planning Grant Committee 1/11 – present

National Task Force on Children with Brain Injury 8/11 - present

CDC Workshop in Rehabilitation 10/22/2011

Consensus Committee on the Identification and Treatment of Mild TBI in Veterans 10/11

NINDS Common Data Elements II Rehabilitation Workgroup 11/11 – present

CDC Expert Panel on the Management of Mild TBI 2/12 - present

2. Professional Activities

Consultant:

NIH National Institute of Allergy and Infectious Diseases; “Inner-City Asthma Study”; Herman Mitchell, Ph.D., PI. 5/97- 4/01. Provided training and ongoing supervision to research interviewers involved in this multi-center project.

NIH National Institute of Child Health and Human Development; Training Parents to Advocate for Students with TBI”, Karen McLaughlin, Ph.D., PI. 1/03-12/04. Provide feedback on content and scripts for the training program and on the final product.

NIH National Institute of Child Health and Human Development; Training Parents to Advocate for Students with TBI II.” Ann Glang, Ph.D., PI 04/05 – 03/08. Provide feedback on website content and design for marketable final project.

Department of Education National Institute of Disability and Rehabilitation Research; T-BITS. Ann Glang, Ph.D., PI 10/06 – 09/11. Provide feedback on website design and usability and study design and assessment measures.

Geisinger Medical Center, Division of Psychiatry. Brad Wilson, Ph.D., PI 1/07 – 12/10. Provide training in using the Putting Together the Pieces and Teen Online Problem Solving websites for families with TBI in central Pennsylvania.

Department of Education National Institute of Disability and Rehabilitation Research.
Development of a Web-based Tool for Families Impacted by the Cognitive, Behavioral,
and Social Challenges of TBI. Ann Glang, Ph.D., PI 10/10 – 09/13. Provide feedback on
intervention content and design.

3. National/International Distinguished Activities

1. Kurowski BG, Martin LJ, Yeates KO, Taylor HG, Wade SL. *Influence of Catecholamine-related single nucleotide polymorphisms on executive functioning 12 months after early childhood traumatic brain injury*. Paper to be presented at: Electrode Store Best Paper Award, the Association of Academic Physiatrists (AAP) Annual Meeting; March 2012; Las Vegas, NV.
2. Peterson R, Kirkwood MW, Taylor HG, Stancin T & Brown TM. *Internalizing Symptoms in Adolescents following Traumatic Brain Injury are Associated with Parental Anxiety*. To be presented at: International Neuropsychological Society Annual Meeting; February, 2012; Montreal, Canada.
3. Verbalis, A, Walz, NC, Wade SL, Stancin T, Taylor HG, & Yeates K.O. (February, 2012). *Relationship between Inhibitory Control and Theory of Mind in Young Children 18 Months after Traumatic Brain Injury*. To be presented at: International Neuropsychological Society Annual Meeting; February, 2012; Montreal, Canada.
4. Wade SL. *Family Interventions for Children with Traumatic Brain Injury*. Invited address presented at: 21st Annual Butters-Kaplan West Coast Neuropsychology Conference; March 2012, San Diego, CA.
5. Glang A, Harn B, Taylor HG & Wade SL. *Symposium-Empirically-based Interventions to Improve Cognitive, Behavioral, and Academic Outcomes following Pediatric TBI*. Presented at: Federal Interagency Conference on TBI; June 2011; Washington, DC.
6. Gerring J, Taylor HG, Wade SL, & Yeates KO. *Symposium-The Role of Social Environmental Influences on Recovery following Childhood Brain Injury*. Presented at: Federal Interagency Conference on TBI; June 2011; Washington, DC.
7. Karver C, Chiu CY, Walz NC, Cassidy A, Bernard L, Tlustos SJ, & Wade SL. *Iowa Gambling Task performance in adolescent mild to moderate TBI patients*. Poster presented at: International Neuropsychological Association Annual Conference; February 2011; Boston, MA.
8. Karver C, Wade SL, Cassidy A, Taylor HG, Brown TM, Kirkwood MW & Stancin T. *Intellectual Predictors of Response to an Online Problem Solving Intervention for Adolescents with Traumatic Brain Injury (TBI)*. Presented at: National Academy of Neuropsychology Conference; November 2011; Miami, FL.
9. Kurowski B, Brown T, Wade SL. *Update on Novel Individual and Family Behavioral Interventions that can Improve Recovery after Pediatric Traumatic Brain Injury*. Presented at: American Academy of Physical Medicine and Rehabilitation Annual Assembly & Technical Exhibition; November 2011; Orlando, FL.
10. Kurowski BG, Taylor HG, Stancin T, Kirkwood M, Brown TM & Wade SL. *Executive dysfunction after moderate and severe pediatric TBI predicts functional impairment on the Child*

and Adolescent Functional Assessment Scale. Paper presented at: The Electrode Store Best Paper Award, 2011 Association of Academic Psychiatrists (AAP) Annual Meeting; April 2011; Phoenix, AZ.

11. Michaud LM & Wade SL. *Toward the Use of Common Outcome Measures in Pediatric TBI: The Pediatric TBI Common Data Elements Project*. Presented at: American Academy of Physical Medicine and Rehabilitation Meeting; November 2011; Orlando, FL.
12. Osorio, M, Kurowski, B, Cassedy, A, Beebe, D, Wade, SL. *Sleepiness after subacute adolescent traumatic brain injury: association with cognitive performance and executive functioning*. Presented at: American Academy of Physical Medicine and Rehabilitation Annual Meeting; November 2011; Orlando, FL.
13. Ritterband LM, Wade SL, Tate D, & Stinson J. *Behaviorally-based Interventions for Pediatric Populations*. Symposium presented at: the Society of Behavioral Medicine annual meeting; April 2011; Washington, DC.
14. Tlustos SJ, Chiu CY, Walz NC, Bernard L, & Wade SL. *Neural correlates of inhibitory and socio-emotional processing in adolescents with traumatic brain injury: an fMRI study*. Poster presented at: International Neuropsychological Association Annual Conference; February 2011; Boston, MA.
15. Tlustos SJ, Chiu CY, Walz NC, Holland SK, Bernard L & Wade SL. *Neural correlates of interference control in adolescents with traumatic brain injury: fMRI study of the counting stroop task*. Poster presented at: International Neuropsychological Association annual conference; February 2011; Boston, MA.
16. Wade SL. *A Randomized Trial of Teen Online Problem Solving: Efficacy in Reducing Caregiver Distress*. Presented at: NARRTC 33rd Annual Conference; April 2011; Bethesda, MD.
17. Wade SL. *Impact of TBI on Family Functioning*. Invited plenary presented at: Brain Trust Canada; May 2011; Kelowna, BC, Canada.
18. Wade SL. *Skill-Building Interventions for Pediatric TBI across the Developmental Spectrum*. Invited workshop presented at: Brain Trust Canada; May 2011; Kelowna, BC, Canada.
19. Wade, SL. *Internet-Interacting Together Everyday Recovery after Child Traumatic brain injury: A Randomized Trial*. Invited presentation at: OSEP Leadership Mega-Conference; August 2011; Arlington, VA.
20. Wade SL. *Randomized Clinical Trial of Teen Online Problem Solving Intervention*. Invited presentation at: OSEP Leadership Mega-Conference; August 2011; Arlington, VA.
21. Wade SL. *Evidence-based Interventions for Teens with TBI and their Families*. Invited talk presented at: American Congress of Rehabilitation Medicine Pre-Conference Workshop on Pediatric TBI; October 2011; Atlanta, GA.
22. Wade SL, Taylor HG, Stancin, T, Brown TM & Kirkwood MW. *Web-based problem solving for teens with traumatic brain injury: Who benefits*. Presented at: Society for Computers in Psychology Annual Meeting; November 2011; Seattle, WA.

23. Bosques G, Michaud LJ, Mehlman CT, Yakuboff KP, Foad MB, Wade SL, Kinnett, DG, & Bean JA. *The Use of Electrodiagnosis in Operative Decision-Making for Early Plexus Reconstruction in Birth Brachial Plexus Palsy*. Poster presented at: Pediatric Orthopaedic Society of North America Annual Meeting. May 2010; Waikoloa, Hawaii.
24. Cassidy A, Taylor HG, Yeates KO, Stancin T, Walz NC, & Wade SL. *Traumatic brain injury effects on school readiness*. Poster presented at: Society for Developmental and Behavioral Pediatrics Annual Meeting; September 2010; Boston, MA
25. Fairbanks J, Brown T, Wade SL, Yeates KO & Taylor HG. *Longitudinal Changes in Maternal Warmth in Preschool TBI*. Presented at: Rehabilitation Psychology Conference; February 2010; Tucson, Arizona.
26. Glang A, Wade S. *Children with TBI: What Works? From Rehabilitation to Living Well: Lessons for the Care Community*. Invited presentation at: Brain Trust Canada; April 2010; Kelowna, BC, Canada.
27. Gragert MN, Walz NC, Rausch JR, Yeates KO, Taylor HG. Stancin T & Wade SL. *Posttraumatic stress symptoms following early childhood traumatic brain injury*. Poster presented at: International Neuropsychological Society Annual Meeting; February 2010; Acapulco, Mexico.
28. Karver C, Osinska P, Wade SL, Taylor HG, Stancin, T, Yeates KO, Walz NC & Bernard LA. *Traumatic brain injuries in preschool age children: Significant problems with behavior two years following injury*. Poster presented at: Society for Developmental and Behavioral Pediatrics annual meeting; September 2010; Boston, MA
29. Karver C, Osinska P, Wade SL, Taylor HG, Stancin T, Yeates KO & Walz NC. *Traumatic brain injuries in preschool age children: Significant problems with executive functioning two years following injury*. Poster presented at: Joint Meeting of the North American Brain Injury Society (NABIS) and the National Association of State Head Injury Administrators (NASHIA); October 2010; Minneapolis, MN.
30. Semple EA, Stancin T, Minich NM, Taylor HG, Yeates KO, Walz NC & Wade SL. *Are young children with traumatic brain injuries receiving needed services more than 2 years post-injury?* Poster presented at: Joint Meeting of the North American Brain Injury Society (NABIS) and the National Association of State Head Injury Administrators (NASHIA); October 2010; Minneapolis, MN.
31. Tlustos SJ, Walz NC, Taylor HG, Yeates KO, Wade SL, Chiu CY. *Longitudinal Investigation of Emotion Recognition after Early Childhood Traumatic Brain Injury*. Presented at: Eighth World Congress on Brain Injury; March 2010; Washington, D.C.
32. Taylor HG, Wade SL, Yeates KO, Stancin T, Glang A, Todis B & Drotar D. *Improving outcomes for children with traumatic brain injury*. Symposium presented at: American Psychological Association Annual Meeting; August 2010; San Diego, CA.
33. Wade SL. *Developmentally-tailored, family-centered interventions to improve family and survivor functioning following TBI*. Presented at: Ohio Speech, Hearing, and Language Association Meeting; March 2010; Columbus, OH

34. Wade SL. *Optimizing family functioning*. Presented at: Johns Hopkins University Symposium on the Spectrum of Developmental Disabilities Annual Meeting; March 2010; Baltimore, MD.
35. Wade SL. *Survivor and family recovery following TBI: Evidence for reciprocal influences*. Presented at: Ohio Speech, Hearing, and Language Association Meeting; March 2010; Columbus, OH
36. Wade SL. *Ten Years of Problem-Solving Therapy for Pediatric TBI: What Have We Learned?* Psychology Colloquium presented at: Rosalind Finch University; April 2010; North Chicago, IL.
37. Wade SL, Berry JW, Pfeiffer K, & Dreer LE. *Problem-solving Training Benefits Caregivers of Individuals with Disabilities*. Symposium presented at: American Psychological Association annual meeting; August 2010; San Diego, CA.
38. Wade SL, Walz NC, Williams KM, Mark E & Yeates KO. *A Randomized Trial of Teen Online Problem Solving to Improve Behavior and Executive Functions following Adolescent Brain Injury*. Talk presented at: Society for Developmental and Behavioral Pediatrics Annual Meeting; September 2010; Boston, MA.
39. Chapman LA, Bernard LA, Chiu P, Epstein J, Holland SK, Rajagopal A, Walz NC, Staat MA & Wade SL. *An fMRI Study of Attention in International Adoptees: A Pilot Study*. Presented at: Society for Research in Child Development Biennial Meeting; April 2009; Denver, CO.
40. Fulton JB, Yeates KO, Wade SL, Taylor HG & Walz NC. *Cognitive predictors of academic achievement in preschool children 1 year following traumatic brain injury*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2009; Atlanta, GA.
41. Gerrard-Morris A, Taylor HG, Yeates KO, Walz NC, Stancin T & Wade SL. *Effects of Early Childhood Traumatic Brain Injury (TBI) on Development of Executive Function as Measured by the Shape School*. Presented at: 37th Annual Meeting of the International Neuropsychological Society; February 2009; Atlanta, GA.
42. Kramer ME, Chiu CY & Wade SL, *Verbal associative memory following childhood traumatic brain injury: an fMRI study*. Poster presented at: 37th Annual Meeting of the International Neuropsychological Society; February 2009; Atlanta, GA.
43. Kramer ME, Chiu CY, Wade SL & Walz NC. *Neural correlates of social information processing in pediatric traumatic brain injury*. Presented at: 37th Annual Meeting of the International Neuropsychological Society; February 2009; Atlanta, GA.
44. Kurowski B, Wade SL, Cecil KM, Walz NC, Yuan Y, Holland, SK. *Correlation of Diffusion Tensor Imaging with Neuropsychological Testing in Early Childhood Traumatic Brain Injury*. Presented at: AAPM&R 70th Annual Assembly & Technical Exhibition; October 2009; Austin, TX.
45. Potter J, Wade SL, Stevens MH, Walz NC, Taylor HG & Yeates, KO. *Permissiveness Parenting Style is Related to Executive Dysfunction after Brain Injury in Young Children*. Distinguished as a poster of merit presented at: at the 37th Annual Meeting of the International Neuropsychological Society; October 2009; Atlanta, GA.

46. Thustos SJ, Chiu CY, Bernard LA, Walz NC, Rajagopal A, Holland SK, Staat MA, Wade SL. *Neural Correlates of Social Information Processing in Internationally Adopted Children*. Presented at: Society for Research in Child Development Biennial Meeting; April 2009; Denver, CO.
47. Wade, S.L. *The Impact of TBI on Family Functioning: Models of Family-Centered Intervention to Improve Family and Survivor Adaptation*. Half-day workshop presented at: Australian Society for the Study of Brain Impairment Conference; May 2009; Sydney, Australia.
48. Wade SL. *Survivor and Family Recovery following TBI: Evidence for Reciprocal Influences*. Invited keynote address presented at: Australian Society for the Study of Brain Impairment Conference; May 2009; Sydney, Australia.
49. Wade SL & Chapman L. *Helping Teens Cope with Brain Injury: Teen Online Problem Solving*. Invited talk presented at: Ohio Brain Injury Association Annual Meeting; October 2009; Columbus, OH.
50. Wade SL, Walz NC, Taylor HG, Stancin T, Oberjohn KS, Bernard LA, Yeates KO. *Responsive Parenting Buffers the Adverse Effects of Traumatic Brain Injury on Child Behavior*. Presented at: Society for Research in Child Development Biennial Meeting; April 2009; Denver, CO.
51. Yeates KO, Wade SL, Walz NC, Stancin T & Taylor HG. *The Home Environment as a Moderator of Psychosocial Outcomes following Traumatic Brain Injury in Young Children*. Talk presented at: 37th Annual Meeting of the International Neuropsychological Society; October 2009; Atlanta, GA.
52. Rajagopal A, Holland SK, Bernard LA, Walz NC, Staat MA & Wade SL. *An fMRI study of Language Function in International Adoptees*. Poster presented at: Society for Developmental and Behavioral Pediatrics annual meeting; October, 2009; Cincinnati, OH.
53. Stancin T, Wade SL, Nielsen B, Walz NC, Bernard L, Yeates KO & Taylor HG. *Family adaptation in the first year following traumatic brain injury in young children*. Poster presented at: Society for Developmental and Behavioral Pediatrics Annual Meeting; October 2008; Cincinnati, OH.
54. Wade SL, Bischoff M, Rice M, Staat MA. *Parental Concerns in the Initial Weeks after International Adoption*. Poster presented at: Society for Developmental and Behavioral Pediatrics annual meeting; October 2008; Cincinnati, OH.
55. Wade SL, Oberjohn K, Burkhardt A, Greenberg I. *Delivering Parent Skills Coaching via the Web: A Pilot Study*. Poster presented at: Society for Developmental and Behavioral Pediatrics annual meeting; October 2008; Cincinnati, OH.
56. Wade SL, Walz NC, Taylor HG, Stancin T & Yeates KO. *Family functioning as a moderator of recovery of executive function skills following brain injury in young children*. Poster presented at: Society for Developmental and Behavioral Pediatrics annual meeting; October 2008; Cincinnati, OH.
57. Walz NC, Wade SL, Yeates KO, Taylor HG & Stancin T. *Discourse skills following early childhood traumatic brain injury*. Paper presented at: Society for Developmental and Behavioral Pediatrics annual meeting; October 2008; Cincinnati, OH.

58. Klein JD, Nielsen BA, Stancin T, Taylor HG, Yeates KO, Walz NC & Wade SL. *Traumatic brain injuries in young children: healthcare utilization within the 1st year post-injury*. Poster presented at the annual Chester Scholar Research Symposium, MetroHealth Medical Center; August 2008; Cleveland, OH.
59. Karunanayaka P, Holland S, Yuan W, Altaye M, Jones B, Walz NC, Michaud L & Wade SL. *Neural substrate differences in language networks and associated language-related behavioral impairments in children with TBI*. Paper presented at: Society for Pediatric Radiology Annual Meeting; May 2008; Scottsdale, AZ.
60. Kramer ME, Chiu CY, Wade SL & Walz NC. "*Would you do this?*": *Neural correlates of social information processing in healthy adults and children*. Paper presented at: the Annual Meeting of the International Neuropsychological Society Annual Meeting; February 2008; Waikoloa, HI.
61. Chiu CY, Kramer ME, Wade SL & Walz NC. "*Would you do this?*": *Adult gender differences in the neural substrate of social information processing*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2008; Waikoloa, HI.
62. Beebe DW, Wade SL, Yeates KO, Taylor HG & Walz NC. *Sleep problems after traumatic brain injury (TBI) in 3-6 year-old children*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2008; Waikoloa, HI.
63. Wolfe CR, Carey JC & Wade SL. *The effects of prior technology use on web-based interventions*. Paper presented at: 37th Annual Meeting of the Society for Computers in Psychology; November 2007; Long Beach, CA.
64. Wade SL. *Psychosocial interventions for pediatric TBI*. Invited address presented at: New Frontiers in Pediatric Brain Injury Conference; November 2007; San Diego, CA.
65. Walz NC, Yeates KO, Wade SL & Taylor HG. *Disruption of theory of mind skills shortly after traumatic brain injury during early childhood*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.
66. Walz NC, Wade SL, Yeates KO & Taylor HG. *Labeling facial expressions of emotion following traumatic brain injury during early childhood*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.
67. Carey J, Walz NC & Wade SL. *Treating teens with TBI through technology*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.
68. Swartwout MD, Taylor HG, Walz NC, Yeates KO, Wade SL, & Minich N. *Acute neuropsychological outcomes following pediatric traumatic brain injury: Effects of injury severity*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.
69. Kramer ME, Chiu CY, Walz NC, Holland SK, Yuan W, Karunanayaka P & Wade SL. *Long-term neural processing of attention following early childhood traumatic brain injury: fMRI and neurobehavioral outcomes*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.

70. Karunanayaka P, Holland S, Yuan W, Altaye M, Egelhoff J, Walz NC, Michaud L & Wade SL. *Neural changes in working memory following traumatic brain injury in young children as measured by fMRI*. Paper presented at: New Frontiers in Pediatric Traumatic Brain Injury; November 2007; San Diego, CA.
71. Stancin T, Wade SL, Taylor HG, Yeates KO, Walz NC & Bernard LA. *Traumatic brain injuries in preschool age children: Initial impact on the family*. Paper presented at: Society for Developmental and Behavioral Pediatrics; October 2007; Providence, RI.
72. Wade SL, Nielsen B, Stancin T, Taylor GC, Walz NC, Bernard LA, Taylor HG & Yeates KO. *Parent-child interactions shortly after brain injury in young children*. Paper presented at: Society for Developmental and Behavioral Pediatrics; October 2007; Providence, RI.
73. Karunanayaka P, Holland S, Yuan W, Altaye M, Jones BV, Michaud LJ, Walz NC & Wade SL. *Abnormalities in language circuitry in children with traumatic brain injury: a functional magnetic resonance imaging study*. Paper presented at: American Academy of Physical Medicine and Rehabilitation 68th Annual Assembly; September 2007; Boston, MA.
74. Wade SL, Yuan W, Walz NC, Holland S, Karunanayaka P & Michaud L. *White matter damage following pediatric brain injury as assessed using diffusion tensor imaging*. Paper presented at: American Academy of Physical Medicine and Rehabilitation 68th Annual Assembly; September 2007; Boston, MA.
75. Wade SL, Walz NC, Wamstad K, Williams KM, Carey J. *Teen online problem-solving: An online intervention for pediatric brain injury*. Paper presented at: American Psychological Association Annual Meeting; August 2007; San Francisco, CA.
76. Wade SL, Walz NC, Bernard, LA, Oberjohn, K, Taylor HG, Stancin T & Yeates KO. *Acute changes in parent-child interaction following brain injury in children*. Paper presented at: American Psychological Association Annual Meeting; August 2007; San Francisco, CA.
77. Karunanayaka P, Holland S, Yuan W, Altaye M, Egelhoff J, Walz NC, Michaud L & Wade SL. *Abnormal language processing following brain injury in young children as measured by fMRI*. Paper presented at: Organization for Human Brain Mapping Annual Meeting; June 2007; Chicago, IL.
78. Yuan W, Holland S, Walz NC, Cecil K, Jones B, Karunanayaka P, Michaud L & Wade SL. *Assessing white matter diffusion abnormality with DTI in young children with traumatic brain injury*. Paper presented at: Organization for Human Brain Mapping Annual Meeting; June 2007; Chicago, IL.
79. Wade SL. *New Directions for Intervention following Pediatric Brain Injury: The Role of Telehealth*. Grand Rounds presentation at: Geisinger Medical Center; May 2007; Danville, PA.
80. Bucholz M, Wade SL, Taylor HG & Yeates KO. *Family burden as a mediator of parental distress following brain injury*. Paper presented at: Child Health Psychology Regional Conference; April 2007; Cincinnati, OH.
81. Stancin T, Wade SL, Taylor HG, Yeates KO & Walz NC. *Traumatic brain injuries in preschool age children: Initial impact on the family*. Paper presented at: Child Health Psychology Regional Conference; April 2007; Cincinnati, OH.

82. Fay T, Yeates KO, Taylor HG, Wade S, Drotar D, Stancin T. *Predicting longitudinal patterns of clinically significant deficits in children with traumatic brain injury*. Paper presented at: the Annual Meeting of the International Neuropsychological Society Annual Meeting; February 2007; Portland, OR.
83. Wolfe CR & Wade SL. *On-line Treatment for Families: Lessons Learned from a Family Problem Solving Intervention*. Presented at: Department of Psychology Colloquium; March 2007; University of Zurich, Switzerland.
84. Wolfe CR & Wade S.L. *On-line Treatment for Families: Lessons Learned from a Family Problem Solving Intervention*. Presented at: Istituto Auxologico Italiano Applied Technology for Neuro-Psychology Lab; March 2007; Milan, Italy.
85. Swartwout MD, Taylor HG, Walz NC, Yeates KO, Wade SL & Minich N.M. *Acute neuropsychological outcomes following pediatric traumatic brain injury*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2007; Portland, OR.
86. Wade S, Yuan W, Walz NC, Holland S, Karunanayaka P & Michaud L. *White matter damage following pediatric brain injury as assessed using DTI*. Presented at: International Neuropsychological Society Annual Meeting; February 2007; Portland, OR.
87. Fay T, Yeates KO, Taylor HG, Wade SL, Stancin T & Drotar D. *Behavior problems following mild to moderate pediatric traumatic brain injury: Prevalence, risk factors, and correlates at 12 months post injury*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2006; Boston, MA.
88. Ganesalingam K, Yeates KO, Wade SL, Taylor HG, Walz NC & Stancin T. *Executive functions and social outcomes in preschool children 6 months following traumatic brain injury*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2006; Boston, MA.
89. Wade SL. *New directions for intervention following pediatric brain injury*. Invited address presented at: American Psychological Association Annual Meeting; August 2006; New Orleans, LA.
90. Wade SL. *A trial of two online interventions for pediatric brain injury*. Talk presented at: Center for Disease Control; April 2006; Atlanta, GA
91. Wade SL, Carey J & Wolfe CR. *The efficacy of an online, cognitive-behavioral intervention to improve child behavior and social competence following pediatric brain injury*. Paper presented at: Florida Conference on Child Health Psychology; April 2006; Gainesville, FL.
92. Wade SL & Wu M. *School-based supports for students with traumatic brain injuries*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2006; Boston, MA.
93. Walz NC, Wade SL, Yeates KO & Taylor HG. *Stability and correlates of temperament following TBI and orthopedic injuries in preschoolers*. Paper presented at: International Neuropsychological Society Annual Meeting; February 2006; Boston, MA.
94. Walz NC, Wade SL, Yeates KO, Ganesalingam K, Taylor HG & Stancin T. *The relationship between parents' perceptions of their parenting and preschoolers' temperament pre-*

and post-traumatic injury. Paper presented at: Florida Conference on Child Health Psychology; April 2006; Gainesville, FL.

95. Anadkat T, Michaud L, Makoroff K & Wade S. *Predictors of Outcome Following Inflicted Traumatic Brain Injury in Children*. Presented at: American Academy of Physical Medicine and Rehabilitation meeting; November 2005; Philadelphia, PA.
96. Taylor H.G, Yeates KO, Wade S, Drotar D, Stancin T & Minich N. *Long-term outcomes of pediatric traumatic brain injury*. Symposium paper presented at: International Neuropsychological Society, British Neuropsychological Society, and Division of Neuropsychology of the British Psychological Society joint mid-year meeting; July 2005; Dublin, Ireland.
97. Wade SL & Carey J. *Lessons Learned: The Costs and Benefits of Online Therapy with Children with Traumatic Brain Injury*. Presented at: North Coast Child Health Psychology Conference; 2005; Columbus, OH.
98. Wade SL & Carey J. *The Efficacy of an Online Problem-Solving Intervention to Improve Child and Parent Adaptation following TBI*. Presented at: American Academy of Physical Medicine and Rehabilitation meeting; November 2005; Philadelphia, PA.
99. Walz NC, Wade SL, Yeates KO & Taylor HG. *Theory of mind skills following preschool traumatic brain injury*. Paper presented at: the National Center for Medical Rehabilitation Research Training Workshop; December 2005; Rockville, MD.
100. Wells C, Beebe DW, Krivitzky LS, Wade S, Taylor HG & Yeates KO. *Sleep disturbances and neuropsychological outcome following moderate to severe pediatric TBI*. Paper presented at: International Neuropsychological Society annual meeting; February 2005; St. Louis, MO.
101. Allen Bracey SE, Wade SL, Ricketts C, Brentley A & Garcia V. *Reducing Injury Among High Risk Preschool Children*. Presented at: the American Public Health Association Meeting; November 2004; Washington, DC.
102. Allen Bracey SE, Wade SL, Ricketts C, Brentley A & Garcia V. *Reducing Injury Among High Risk Preschool Children*. Presented at: the Ambulatory Pediatrics Association Meeting; 2004; Washington, DC.
103. Wade SL. *Family Interventions for Children with Acquired Brain Injury*. Presented at: American Psychological Association Annual Meeting; July 2004; Honolulu, HI.
104. Wade SL & Brown TM. *A Family Intervention to Improve Child Outcomes following Traumatic Brain Injury*. Presented at: National Child Health Psychology Conference; 2004; Charleston, SC.
105. Wade SL & Wolfe CR. (2004) *Putting the Pieces Together: Testing the Efficacy of a Web-Based Intervention for Families of Children with Traumatic Brain Injury*. Presented at: Society for Computers in Psychology Annual Meeting; November 2004; Minneapolis, MN.
106. Wolfe CR & Wade SL. *An Online Intervention for Pediatric TBI*. Presented at: American Psychological Association Annual Meeting; July 2004; Honolulu HI.
107. Wade SL, Brown TM, Meier V. *A Family Problem Solving Intervention for Child Brain Injury: Initial Findings*. Presented at: International Neuropsychological Society Convention; February 2003; Honolulu, HI.

108. Wade SL, Taylor HG, Drotar D, Stancin T & Yeates KO. *Interpersonal Stressors and Resources as Predictors of Parental Adaptation following Pediatric TBI*. Presented at: Society for Developmental and Behavioral Pediatrics Meeting; September 2003; Pittsburgh, PA.
109. Wade SL & Wolfe CR. Putting the Pieces Together: *Web-Based Therapy for Families of Children with Traumatic Brain Injury*. 2003 Interactive Media Forum; October 2003; Oxford, OH.

4. Editorial Service

Editorial Board, *Rehabilitation Psychology*, 2006- present.

Journal of Head Trauma Rehabilitation 2010-present.

Journal of Family Psychology, 2011-present.

5. Ad-hoc Manuscripts Review

Pediatrics, Patient Education and Counseling, Family Psychology, Journal of Pediatric Psychology, Journal of Consulting and Clinical Psychology, Journal of the International Neuropsychological Society, Early Childhood Education and Intervention, Patient Education and Counseling, Pediatric Rehabilitation, Journal of Clinical and Adolescent Psychology. 25 manuscripts per year.

7. TEACHING

Academic Courses

<u>Course</u>	<u>Year</u>	<u>Number of Lectures</u>
Abnormal Psychology	1986	30
Child Clinical Psychology	1986	30
Psychosocial Case Conference	1989-92	5 (per year)
Behavior and Development Rotation	1990-93	3 (per year)
Measurement in Educational Settings	1996-97	45 (per semester)
Assessment and Intervention Planning	1996	15
Intellectual Assessment of Children	1998	12

Lectures and Grand Rounds

Wade, S.L., Walz, N.C., Kurowski, B., & Carr, D. (2010). Predictors of Recovery Following Pediatric Brain Injury, Grand Rounds, Cincinnati Children's Hospital Medical Center.

Wade, S.L. (2008). Addressing the Social Sequellae of Pediatric Brain Injury, Grand Rounds, University of Cincinnati Department of Physical Medicine and Rehabilitation.

Wade, S.L. (2007). New Directions for Intervention following Pediatric Brain Injury: The Role of Telehealth. Grand Rounds, Geisinger Medical Center.

Wade, S.L. (2007). New Directions for Interventions for Pediatric Brain Injury. Clinical Research Seminar, Cincinnati Children's Hospital Medical Center.

Wade, S.L. (2005). Traumatic Brain Injury: Outcomes, Influences, and Interventions. Grand Rounds, Cincinnati Children's Hospital Medical Center.

Wade, S.L. (2004). Psychosocial Factors and Asthma Morbidity. Cincinnati Children's Hospital Medical Center Environmental Center.

Wade, S.L. (2002). Predictors of Family Adaptation following Pediatric TBI: Implications for Child Recovery and Intervention. Cincinnati Children's Hospital Medical Center Prevention Science Seminar.

Wade, S.L. & McMahon, M. (1999). Predictors of Parental and Sibling Adjustment following Pediatric Brain. Children's Hospital Medical Center grand rounds, Cincinnati, OH. July 20, 1999.

Wade, S.L. & McMahon, M. (1998). Family outcomes following pediatric traumatic brain injury. Physical Medicine and Rehabilitation grand rounds, University of Cincinnati School of Medicine, Cincinnati, OH. December 4, 1998.

8. GRANTS AND CONTRACTS (all peer reviewed):

Previous Support

Central Ohio Lung Association, Helen M. Baker Research Award; "Psychosocial Factors and Asthma Morbidity in Black Children"; PI Shari Wade, Ph.D., 3/1/91 - 2/26/92; \$5,000.

American Lung Association, Research Grant Award; "Psychosocial Factors and Asthma Morbidity in Black Children"; PI Shari Wade, Ph.D. 7/1/91 - 6/30/93; \$35,000.

NIH National Cooperative Inner-City Asthma Study; "Predictors of Asthma Morbidity in Urban

Black Children"; 3/1/91 - 2/26/96; Carolyn Kerckmar, M.D., PI; S. Wade, Ph.D., Co - Investigator, \$640,000.

NIH Maternal and Child Health; "Recovery from Traumatic Head Injury in Children"; 12/1/91 - 11/30/96; H. Gerry Taylor, Ph.D., PI; S. Wade, Ph.D., Co- Investigator, \$1,870,000.

NIH Division of Neurology and Stroke; "Recovery from Traumatic Head Injury in Children: Three to Five Years Post-Injury"; 5/1/97 - 4/30/01. H. Gerry Taylor, Ph.D., PI; S. Wade, Ph.D., Co-Investigator, \$2,500,000.

DOE National Institute of Disability and Rehabilitation Research; "A Family Intervention following Traumatic Brain Injury in Children"; 4/1/99 – 3/31/02. Shari L. Wade, Ph.D., PI, \$449,000.

NIH National Institute of Child Health and Human Development; "An Online Intervention for Pediatric TBI", 9/1/01 – 07/31/04. Shari L. Wade, Ph.D., PI, \$610,780.

NIH Maternal and Child Health, "Reducing Injury Among High-Risk Preschool Children", 1/1/02 – 12/31/04. Victor F. Garcia, M.D., PI, \$947,090.

NIH National Institute of Child Health and Human Development; "Child and Family Sequelae of Preschool Brain Injury", 09/10/02- 08/31/07. Shari L. Wade, Ph.D., PI, \$2,461,821.

CDC/HRSA "A Trial of 2 Online Interventions for Pediatric Brain Injury" 10/01/03 – 09/30/06. Shari L. Wade, Ph.D., PI, \$900,000.

DOE National Institute of Disability and Rehabilitation Research "Teen Online Problem Solving for Pediatric Brain Injury" 10/01/05 – 09/30/08. Shari L. Wade, Ph.D., PI, \$447,933

NIH National Institute of Child Health and Human Development "Social Development Following Preschool Brain Injury" 12/01/05-11/30/10. Mentored Patient-Oriented Research Career Development Award (K23), Nicolay Walz, Ph.D., PI, Shari L. Wade, Ph.D., Co-Sponsor, \$505,118..

DOE National Institute on Disability and Rehabilitation Research, Department of Education "Positive Parenting Plus- A Parenting Intervention for TBI" 12/01/06-11/30/09. Shari L. Wade, Ph.D., PI, \$449,000.

Ohio Department of Public Safety Emergency Medical Services, "Social Influences on Long-Term Recovery from Traumatic Brain Injury in Young Children". 07/01/07-06/30/08. Shari L. Wade, Ph.D., PI, \$82,500.

University of Cincinnati University Research Council Interdisciplinary Grant, "Neural Substrates of Social, Language, and Executive Function Deficits in Internationally Adopted Children", 07/01/07-06/30/08. Shari L. Wade, Ph.D., PI, \$25,000.

Ohio Department of Public Safety Emergency Medical Services, "The Neural Substrates of Executive Function Skills in Adolescents with Traumatic Brain Injury". 07/01/08-06/30/09. Shari L. Wade, Ph.D., PI, \$74,000.

Active Support

NIH National Institute of Mental Health "Improving Mental Health Outcomes of Child Brain Injury" 8/01/06 – 5/31/12. Shari L. Wade, Ph.D., PI, \$3,818,000.

NIH National Institute of Child Health and Human Development; "Long-term Functional

Outcomes of Early Traumatic Brain Injury”, 09/01/09- 08/31/14. Shari L. Wade, Ph.D., PI, \$2,987,745.

DOE National Institute on Disability and Rehabilitation Research, Rehabilitation Research and Training Center for Pediatric TBI Interventions”, 10/01/09-09/30/14. Shari L. Wade, Ph.D., Center Director, \$3,998,360.

NIH/NICHHD/NCMRR/AAP; “Genetic Influence on Cognitive and Behavioral Recovery after Pediatric Traumatic Brain Injury”, 7/1/10-6/30/13; Rehabilitation Medicine Scientist Training Program (RMSTP) K-12 grant. Brad Kurowski, M.D.: PI; Shari L. Wade, mentor/sponsor. \$318,000.

Ohio Department of Public Safety Emergency Medical Services; “Effects of Cognitive Training on Attention and Neural Processing following Pediatric TBI” 7/01/2011-6/30/2012; Shari L. Wade, PI, \$76,788.

Ohio Department of Public Safety Emergency Medical Services; “Long-term Executive, Behavioral, and Psychosocial Functioning After Adolescent Traumatic Brain Injury: Importance of Environment, Genetics, and a Behavioral Intervention” 7/01/2011-6/30/2012; Brad Kurowski, M.D., PI; Shari L. Wade Co-Investigator. \$66,668.

Ohio Department of Public Safety, Emergency Medical Services; “Ohio School re-Entry and Transition Program (STEP) for Children with TBI”, 7/1/2011-6/30/2012. K.O. Yeates, Ph.D. PI; Shari L. Wade, Co-Investigator. \$63,810.

Department of Veteran Affairs Patient-Center Care Grant; “Skill-building Interventions for Veterans and Their Families”. 7/1/2011-9/30/2012; Lindsay Reigler, M.S., PI; Shari L Wade, Co-Investigator, \$474,960.
